Release : OCT 2014

THE HEROES OF FINAL FANTASY
REIMAGINED BY PLAY ARTS KAI
CRAFTSMANSHIP!

With its superior detail, exquisite paintwork and magnificent four-winged appearance, the hearts of people that lay eyes on this piece will be moved – Bahamut. One of the most iconic summon monsters from FINAL FANTASY is reimagined for the signature VARIANT series. We paid special attention to expressing the majestic, deified presence of the “Dragon King.” The reptilian scaled pattern that is etched into its entire body accentuates the dignified stature and impressive sculpt work of this figure. Whether posed stalwartly in a divine standing pose with wings extended or ready to fight in an aerial battle stance, Bahamut’s presence and power come together in perfect harmony.

SH Figuarts

"A new standard in action figures representing the state of the art of Bandai's design technology. Designed to perfectly mimic the range of motion of the human body, the series name is a contraction of the concepts of "Simple Style" and "Heroic Action." Standing roughly 14cm tall, the highly posable S.H.Figuarts figures are designed to feel like little treasures."

Sailor Moon

S.H.Figuarts Sailor Jupiter

MSRP: \$40.99 Aug 2014 15cm STK646336

The daunting and electric Sailor Jupiter will appropriately be the 5th inner senshi to join the S.H.Figuarts Sailor Moon series. Portrayed in luxuriously accurate proportion and boasting superior articulation for recreation of a variety of dynamic action scenes, the S.H.Figuarts Sailor Jupiter deluxe action figure set also features articulated pony tail, interchangeable antenna hair parts, four interchangeable face parts, five sets of interchangeable hand parts and elegant display stand.

S.H. MonsterArts®

This monster action figure adopts 3 different materials (ABS, PVC, and POM) for the main body. For the "mechanical" monsters, ZnDc (die cast, and zinc alloy) is used to provide metallic texture and weight. Also, articulation points are made of appropriate materials to emphasize the function. The precise utilization of materials enables superior portrayal of each monster's character.

ALIEN VS. PREDATOR

S.H. MonsterArts Predator Wolf Heavy-Armed Ver.

MSRP: \$63.99 Sept 2014 18cm STK646337

S.H. MonsterArts will enter a new phase of weapon accessory and option parts excellence via a very appropriate character subject introducing S.H. MonsterArts Predator Wolf (Heavy Armament Ver.). This deluxe set will portray the character after he picks up additional tools from the crashed ship in AVP Requiem. By extra tools this means the set will feature claymores with removable holsters, two shuriken parts, and special interchangeable hand parts for shuriken use also included. Additionally, set will feature two plasma cannons, big cannon and attachable parts for depiction of broken cannon.

244 – IN THIS ISSUE: Kids Comics Month

Whether you're young or old, regardless of your tastes and interests, there's no denying the appeal of a well written, well-drawn comic book or graphic novel. Our Kids Comics theme for the month points out plenty of great titles available for readers of any age!

FS-3 Indie Edge Extra: James Kolchalka

It's Kids Comics Month here at **PREVIEWS**, and in addition to our standard Indie Edge feature on page 15 (featuring Kazu Kibuishi, creator of the Amulet series), we've also got an extra-big Indie Edge featuring the American Elf himself, James Kolchalka! Always creating something, James has most recently found great success with his all-ages series Dragon Puncher, Glorkian Warrior, and Johnny Boo, and he talks about these and more on the FlipSide of this issue!

YOUR NEW
FAVORITE
COSMIC
COMIC BOOK
HAS FINALLY
ARRIVED!

DYNAMITE ENTERTAINMENT: You've just been handed the reins of **CAPTAIN VICTORY AND THE GALACTIC RANGERS**, the brainchild of the legendary Jack Kirby. What does that mean to you?

JOE CASEY: It means a lot, actually. The original series was a big deal to me as a kid. Having no real knowledge as to what it meant in a political and historical sense – with Kirby doing one of the first creator-owned books for an independent publisher in what was then a very young Direct Market – I was just swept up by the story, the characters, the writing, and the artwork. So to have a chance to take on something that meant so much to me is huge.

DE: Who is Captain Victory? What traits have stayed true from Kirby's initial inception through later incarnations?

JC: I'd like to think we've stayed very true to Kirby's original intentions for the character, which was that he's the greatest, most capable Galactic Ranger there is, completely dedicated to his duty. The fact that he can be killed in action and then brought back as an exact clone replica is a testament to that sense of duty. But there's also a tragic aspect to that state-of-the-art procedure that we'll be exploring in the new series. We're definitely taking what Kirby set up and pushing it in new directions.

DE: What can you tell us about the Galactic Rangers, characters like Major Klavus, Lt. Orca, and Tarin?

JC: Hey, don't forget about Mister Mind! He's just as important as the rest of them, y'know. It's funny how people tend to forget that the original Kirby run only lasted for 13 issues and a one-shot special. So it's not like there was a ton of development done on the supporting characters. Kirby laid down the basics, but it's been very cool going deeper into Klavus, Orca, and Tarin. All of them will get their glory moments.

DE: There's a veritable "Who's Who" of artists assigned to **CAPTAIN VICTORY**. What can you tell us about how the different artistic talent will be used to convey the narrative?

JC: Well, the easy joke is that it takes an army of cutting edge artists to make up for one Jack Kirby. But, the fact is, that's exactly what we have. All of these guys – Nathan Fox, Jim Rugg, Ulises Farinas, Michel Fiffe, Jim Mahfood, Farel Dalrymple, Benjamin Marra, Connor Willumsen – have unique, personal styles that will be on full display in this series. It's all one big story with different artists pitching in on different issues. It's a very organic way of storytelling, with everyone contributing their strengths for what we hope is a greater good.

DE: **CAPTAIN VICTORY** has always been a story that is equal parts human story and cosmic scope. Without giving away spoilers, what are your thoughts on balancing those elements?

JC: Hopefully, the balance is inherent in the concept itself, the way Kirby originally set it all up. What we're trying to do is pump up the intensity on both sides. The cosmic aspects will be as far out and as imaginative as we can go, and the human elements will be as emotional and packed with drama as we can make them. We've been referring to this series as a "next level" comic book, really trying to push the envelope on what a heroic, epic sci-fi comic book can be.

DE: Why will comic fans love the new **CAPTAIN VICTORY**?

JC: Because it's pure comics. In this world of Hollywood options and compromised ideals in a once pure art form, we still need comics that revel in being comics, that revel in doing what comics do best. That's what Jack Kirby was all about, that's what he represents to every generation that came after him. If we can blow readers' minds with this series, then I feel like that's the ultimate tribute.

EDITOR'S note People Who Know Your World EDITOR'S note

HEY KIDS, COMICS!

EDITOR'S note

Free Comic Book Day 2014 is another one for the history books as I write this, and if the rest of the country had as great a day as was had at *Cards, Comics & Collectibles*, in Reisterstown, MD — the store run by my pal, Baltimore Comic Con promoter Marc Nathan — then it was by far our best yet.

Celebrating his 30 anniversary in business, Marc once again invited a great group of creators to meet and greet customers on the first Saturday in May. Marc's guests included J.G. Jones, Don Rosa, Todd Dezago, Craig Rousseau, Steve Conley, John Gallagher, and Frank Cho, who signed autographs and knocked out sketches for fans, young and old alike.

There were plenty of folks in attendance, among them plenty of kids, many enjoying their first introduction to comics. Which is really what FCBD is all about, right?

In that spirit, we're celebrating *Kids Comics* month throughout the month of June in *Previews* and on our family of websites and social media sites. We always stress that "*Kids Comics*" doesn't mean ONLY for kids... these titles are perfect for any reader, regardless of age, and our coverage in **PREVIEWS** hopes to draw your attention to this kind of material.

We've got an overview of recommended titles beginning on page 244 of this issue, and once you see what's there, you'll see that "all-ages" doesn't necessarily mean for kids only. You'll find these and many more titles throughout this issue, just look for the Kids Comics icon! Also, in line with Kids Comics month, we've got two different Indie Edge features, profiling two of today's top all-ages creators: Kazu Kibuishi, creator of the *Amulet* and *Flight* series (see page 15!), and James Kochalka, creator of *Dragon Puncher*, *Glorkian Warrior*, and *Johnny Boo*! You'll find our extra-size profile of James on the FlipSide of this issue!

So, whether you have young readers in your life, or you're just looking for something fun to read, this month's issue is filled to the brim with possibilities!

USER's guide

At first glance, *PREVIEWS* can be overwhelming because it's packed with tons of cool stuff. But there's a rhyme and reason to this mag-a-log and here's how to use it!

You now hold in your hands the latest issue of *PREVIEWS*, the monthly mag-a-log dedicated to comics, graphic novels, toys and other pop-culture merchandise. If it's in your comic shop, it's in the page of *PREVIEWS*!

PREVIEWS COMICS BOOKS MAGAZINES TRADING CARDS APPAREL MERCHANDISE GAMES TOYS

What is *PREVIEWS*?

PREVIEWS is part magazine, part catalog—a “mag-a-log” of all comics and pop-culture merchandise found at your local comic shop.

We've broken down the product listings by easy-to-understand sections: Comics & Graphic Novels; Books; Trading Cards; Toys, Statues & Models, and more.

Each month, you'll find detailed listings for almost every comic book and pop-culture product that will be available in comic shops in 2 months. So, if you're looking at the April issue of *PREVIEWS*, most items will be in comic shops sometime in June.

How do I order from *PREVIEWS*?

Ordering from *PREVIEWS* is easy! There are **3** simple ways to order:

Use the Short Order Form.

Fill in with the items you'd like to order from this issue.

Ask for the companion Customer Order Form.

We offer a companion order form that features a complete listing of every product offered in that month's issue of *PREVIEWS*.

Fill out what you want to order and hand in to your comic shop by the due date on the cover!

Ask your retailer about their “Pull & Hold” service.

Many retailers offer a “pull & hold” or subscription service where you can order your monthly comics and merchandise easily. They'll hold your orders for you and you can pick up your items when it's convenient for you! Be sure to ask your retailer to give you a copy of *PREVIEWS*, Marvel *PREVIEWS*, and the *PREVIEWS* Customer Order Form each month so you can place your orders easily!

Not sure where to find a local comic shop?

Visit the comic shop locator service website at www.comicshoplocator.com, or call 1-888-COMIC BOOK for a listing of comic shops near you!

PREVIEWS legend

Throughout this issue of *PREVIEWS*, you'll find a variety of symbols and terms that will help you in select items from this catalog. Here's what they mean:

Gems of the Month

The top offerings of the month, as chosen by our Premier publishers—these are the best bets in comics whether it's the next high-profile project or a new ongoing series.

Featured Items

In other sections, you'll find Featured Items, the top monthly products offered in their categories.

These items are not to be missed; highlighted to get your attention.

Previews Exclusive

These are items available only through *PREVIEWS*! When you see this icon, you'll know you're ordering a limited item found nowhere else!

Featured Theme

Each month, *PREVIEWS* features a different theme to highlight certain titles and products. Look for that month's themed icon to find these selected items.

Certified Cool

Are you looking for the next title that pushes the envelope? Then try out one of our Certified Cool titles; books specially earmarked for readers who are looking for something a little different.

Staff Pick

This icon denotes items that have been reviewed by our staff and are worthy of a second look!

Indie Edge

The cutting edge of independent comics and creators, look for this icon on selected titles throughout the Comics & Graphic Novels section.

Star of the Month

These are best-selling backlist items that are available for immediate order from your local comic shop, and usually available for pick-up in about a week!

Offered Again (O/A)

These items have been previously offered before in *PREVIEWS* and are being made available again.

PI or Please Inquire

Your store will set the price for all "Please Inquire" items — check with your retailer for the price on these items.

MSRP or SRP

Manufacturer's/Suggested Retail Price. These designations provide suggested pricing information for a majority of items not carrying a retail price. Actual prices may vary depending upon market conditions. Please check with your retailer.

Caution (CAUT: #-#-#)

Cautions listed at the end of catalog descriptions indicate an item that may ship late or otherwise diverge from its Previews description. These codes are separated into three categories:

International Rights (I-Rights) — the item is restricted into what countries it can be sold.

0 = No International Rights restriction;

1 = International Rights are restricted.

Content Changes — the content may change after solicitation.

0 = No Content disclaimer;

1 = Content disclaimer enforced.

Ship Date Changes — the final shipping date may differ or change from the scheduled ship date.

0 = Item is expected to ship within 30 days of the EST SHIP DATE.

1 = Item is expected to ship within 60 days of the EST SHIP DATE.

2 = Item is expected to ship within 90 days of the EST SHIP DATE.

PREVIEWS Abbreviations

SC = Softcover, HC = Hardcover, TP = Trade Paperback, MMPB = Mass Market Paperback, FC = Full-Color, b&w = Black & White; PC = Partial Color

A NOTE TO TOY COLLECTORS:

Your retailer cannot guarantee receiving specific items — such as action figures — when they must be ordered in case or "assortment" quantities. Please be aware of this when ordering action figures and other items designated as cases or assortments.

This month's featured creator is...

KAZU KIBUISHI

Please tell us a bit about yourself!

My name is **Kazu Kibuishi**. I'm the creator of *Amulet* for Scholastic/Graphix and *Explorer* for Abrams ComicArts. I also created *Copper*, *Daisy Cutter* and the *Flight* anthologies. I've been drawing comics ever since I could remember picking up a pencil thanks to the influence of *MAD Magazine*, *Garfield*, and manga.

What are your favorite projects you've contributed to over the past decade?

My favorite project has definitely been the *Amulet* series!

Amulet Vol. 1: Stonekeeper GN (APR128211)
Amulet Vol. 2: Stonekeeper's Curse GN (MAR128292)
Amulet Vol. 3: Cloud Searchers GN (AUG118133)
Amulet Vol. 4: Last Council GN (NOV118145)
Amulet Vol. 5: Prince of the Elves GN (JUN121162)

What fun titles are you reading?
 Are there any kid's comics that you would recommend?

I absolutely loved reading Raina Telgemeier's *Sisters* (See Page 349!), one of the best books I've read in a while! Another book I read recently is Gene Luen Yang's *Boxers* (JUL131151) and *Saints* (JUL131152), which is fantastic.

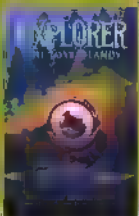

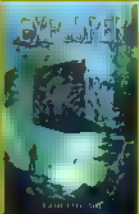

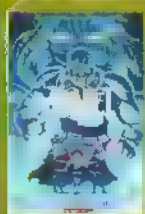

The box set (JUL131153) that it comes in is also very nice. First Second did a great job on those books, and they also published another one of my recent favorites, *Battling Boy* (SC: AUG131327; HC: AUG131328) by Paul Pope.

What are you currently working on?
 What can readers expect from your new book *Amulet 6*?

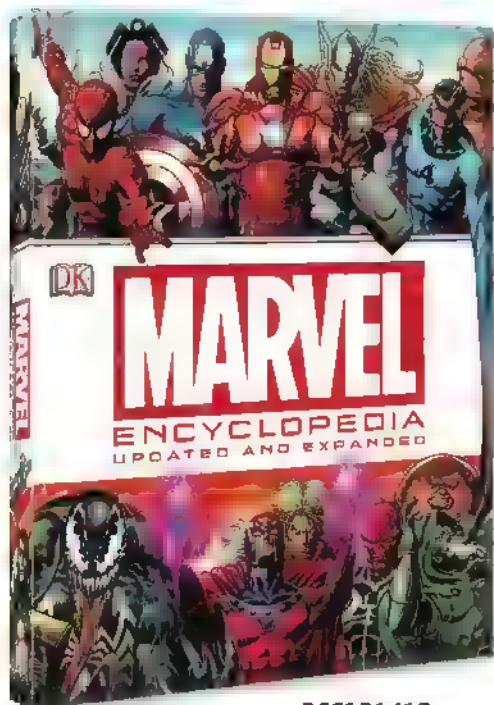

I'm currently finishing up *Explorer 3: The Hidden Doors* and I'm about to begin work on the seventh *Amulet* book. In *Amulet 6: Escape from Lucien*, readers can expect big environments, high technology, magic, and fast-paced action as the characters journey from the clouds to an underground world, battling the Elf King's forces and forming new alliances.

ORIGINAL SIN REACHES ITS EXPLOSIVE CONCLUSION THIS AUGUST

The hunt for the Watcher's assassin has shaken the Marvel Universe to its core! Long-buried secrets have been revealed. Unlikely alliances have been formed. Issues of trust have divided old friends. This August, the mystery of Uatu's murder comes to a head in Jason Aaron and Mike Deodato's grand finale, *Original Sin* #8!

The pursuit of Uatu's assassin and the investigation into his murder has revealed the secrets of the Marvel Universe, some devastating, others revelatory. The quest has led Earth's heroes from the moon to deep space, pitting them against unknown enemies, ancient evils, and even themselves.

Now the final battle awaits. Some want vengeance. Others seek justice. A few want only the truth. The road Earth's heroes have trod has been a long, difficult, and draining one, and there is still one secret to be revealed — who killed the Watcher?

Original Sin comes to its explosive conclusion in August's *Original Sin* #8. Jason Aaron and Mike Deodato continue their powerful work for the oversized finale. A springboard for new series in the fall and beyond, *Original Sin* will radically shift the status quo for many characters, and the series promises an ending that will have Marvel Comics fans talking for years!

No Marvel Comics fan will want to miss the answer to all the riddles. Find out who murdered the Watcher this August in *Original Sin* #8!

In a career that has spanned fifty years, cartoonist Jules Feiffer finds there are still creative mountains to climb as he publishes his first graphic novel this August, *Kill My Mother!* A crime noir tale in the style of Hammett and Chandler, Feiffer's *Kill My Mother* is a tale of a daughter, a lost mother, and the dissipated private eye who comes into their lives and needs a little redemption. *Kill My Mother* is crime noir at its finest, and it could only come from the pen of Jules Feiffer.

HOLLYWOOD KEEPS ITS SECRETS IN A NEW CRIME COMIC FROM IMAGE

Ed Brubaker and Sean Phillips have established themselves as modern practioners of the crime comic, first with *Criminal* for Marvel's Icon imprint and again with Image Comics' *Fatale*. This August they return to Image with a new crime series, *The Fade Out*, that promises to break new creative ground!

Hollywood in the 1940s was a playground of moguls and starlets, a city of secrets, a city of dreams. Beneath the veneer of opulence and the flash of camera bulbs, writers were haunted by nightmares, starlets had secrets that could ruin the powerful, and the powerful were determined to keep the good times rolling. In the days after the end of the war, these combine in a powerful and toxic brew. Some people will pay the price for their hubris, no secret stays buried forever, and some parties are doomed to end.

Brubaker and Phillips signed a five-year deal with Image, with *The Fade Out* as their first book in the line. It's a heady brew of crime and corruption, and no fan of their work will want to miss it!

ONE OF COMICS' CLASSIC CHARACTERS MAKES HIS RETURN TO SLUMBERLAND

One of the earliest comic strips was Winsor McKay's *Little Nemo in Slumberland*. The titular Nemo would have fantastical adventures in the land of sleep; summoned by King Morpheus to be a playmate for his daughter, Nemo would travel into realms beyond imagining.

Nemo returns for new adventures in IDW Publishing's *Little Nemo: Return to Slumberland*, written by *Adventures in Oz*'s Eric Shanower and drawn by Locke & Key's Gabriel Rodriguez. The storytelling and artwork evoke the magic of McKay's original, and *Return to Slumberland* will send Nemo -- and his readers -- on amazing adventures into the land of dreams, beginning this August!

The biggest adventure in DC's history is here!

Join visionary writer Grant Morrison, today's most talented artists, and a cast of unforgettable characters from 52 alternative Earths of the known DC Multiverse!

Prepare to meet the Vampire League of Earth-43, the Justice Riders of Earth-18, Superdemon, Doc Fate, the super-sons of Superman and Batman, the rampaging Retaliators of Earth-8, the Atomic Knights of Justice, Dino-Cop, Sister Miracle, Lady Quark, the legion of Sivanas, the Nazi New Reichsmen of

Earth-10 and the latest, greatest Super Hero of Earth-Prime: YOU!

Comprising six complete adventures – each set in a different parallel universe – plus a two-part framing story and a comprehensive guidebook to the many worlds of the Multiverse, THE MULTIVERSITY is more than just a multi-part comic-book series. It's a cosmos-spanning, soul-shaking experience that puts YOU on the frontline in the Battle for All Creation against the demonic destroyers known as the Gentry!

In issue #1, pencilled by superstar artist Ivan Reis (AQUAMAN, JUSTICE LEAGUE), President Superman of Earth-23 uncovers a threat to all Reality so apocalyptic it will take a team of incredible heroes from across the Multiverse to face it – including Captain Carrot, like you've never seen him before!

But even with a multitude of alternate worlds to choose from, where every variation is possible, can anyone hope to prevail against the onslaught of ultimate evil and undying hatred – in the unstoppable form of a one-time cosmic defender with unimaginable powers?!

Join us, if you dare, for the beginning of THE MULTIVERSITY!

ever faced as Superman in the form of a villain who
now has the power to warp reality with a thought.
But this time if he defeats Brainiac, Earth will be
lost. Batman, Wonder Woman, Steel, Supergirl are
joined by Starfire, Guy Gardner and Green Lantern
Simon Bazz and even Swamp Thing to make a
fateful decision about their friend.

It's *Cerebus* brought to life (again) by creator
Dave Sim!

Sim's masterwork, *Cerebus*, ran for 300 issues. Starting with issue #26, *Cerebus* got a taste of "High Society", a storyline that concluded with issue #50, and which critics and readers alike recognize as the point at which *Cerebus* became a vehicle for political commentary.

This multi DVD set contains the entire DIGITAL AUDIO/VISUAL EXPERIENCE of *High Society* presented in a unique, immersive multi-media experience, with Dave Sim reading every issue in character... including music and sound effects. Along with each issue's presentation is a section of full Editorial Comments, also read by Dave.

Originally brought to life through the magic of Kickstarter, the HIGH SOCIETY DIGITAL AUDIO/VISUAL EXPERIENCE is ready for the *Cerebus* fan in your life.

WALTER SIMONSON MANHUNTER & OTHER STORIES: ARTIST'S EDITION

Walter Simonson (a & c)

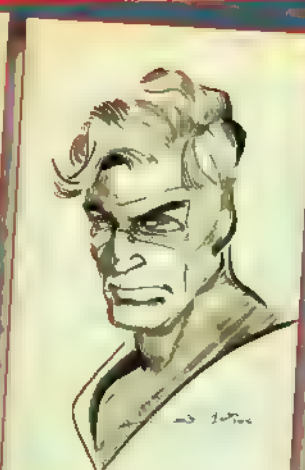

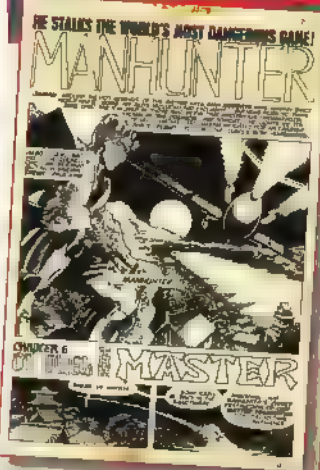

PW: 176 Pages: 12 x 17
ISBN: 978-1-63140-120-6

\$ Please Inquire

Manhunter by Archie Goodwin and **Walter Simonson** was one of the most acclaimed series of the 1970s, winning numerous awards along the way—not bad for a backup feature that only ran seven episodes! This Artist's Edition presents the original run of *Manhunter*, as well as a stunning *Batman* story, *Dr. Fate*, *Metal Men*, and *Captain Fear* tales. A wealth of classic material by a classic artist, and with nearly every page shot from the gorgeous original art, courtesy of Simonson's personal archives!

WHAT IS AN ARTIST'S EDITION?

ARTIST'S EDITIONS ARE PRINTED THE SAME SIZE AS THE ORIGINAL ART. While appearing to be in black & white, each page has been scanned in COLOUR to mimic as closely as possible the experience of viewing the actual original art—for example, you are able to clearly see paste-overs, blue pencils in the art, editorial notes, art corrections. Each page is printed the same size as drawn, and the paper selected is as close as possible to the original art board.

V-WARS #5

Jonathan Maberry (w)
Alan Robinson (a)

The Crimson Queen makes her first appearance and brings with her one of the most disturbing truths about the Vampire Wars: you can't tell who is infected. The enemy might be right next to you. This is a war that will be fought everywhere—within the government, within communities, within families. And, no matter how it ends, the world is. Going. To. Bleed.

From **JOHN RAFFO**, writer of *Dragon: The Bruce Lee Story*, comes the fourth chapter of Darby Pop's sci-fi samurai epic – **THE 7TH SWORD**.

Six willing Swordsmen train intensely, desperate to defend their homeland from an approaching Warlord. But as talented a Kenjitsu as Daniel Cray is, passing on a lifetime of knowledge in just a few days proves an impossible task.

DOBERMAN #2ROB ROSELL, SCOTT MARDER, & JACK LAMBERT (w)

From writers **JACK LAMBERT**, **SCOTT MARDER** (*It's Always Sunny*), and **ROB ROSELL** (*It's Always Sunny*, *New Girl*) comes a quintessentially 80's action hero – **FRANK DOBERANO** (aka **DOBERMAN**) -- desperately trying (and failing) to navigate today's politically-correct law enforcement apparatus.

A murderer has been freed, having convinced the world that he is a changed man. But one cop will never believe... or forget. After a decade of self-imposed solitude in the wilds of Canada, Doberman has returned to seek vengeance. And beer. And women. And his favorite pretzels. Though, not necessarily in that order.

From the interactive story telling app *The Journals of Mama Mae and LeeLee*, *Blue Moon* is an inspirational and magical tale of discovery created by Grammy™ Award-winning artist **Alicia Keys**, and was inspired by her childhood relationship with her own grandmother.

Blue Moon introduces readers to young and imaginative LeeLee, who just moved to the big city, and her magical grandmother, Mama Mae. To help LeeLee adjust to her new home, Mama Mae tells her the story of Abey, a young Native American girl from the 17th century, and her adventurous yet magical evening when she too wasn't sure of her surroundings.

Filled with warmth, discovery, and powerful messages, *Blue Moon* provides a great example of overcoming fear and finding similarities in life despite differences of time or territory.

GENIUS: ISSUES 1-5, WEEKLY THROUGHOUT AUGUST

The Winner of Top Cow's Pilot Season makes its triumphant return to print!

What if the greatest military mind of our generation was born to a people who are already supremely conditioned to wage war, who know nothing but violence since birth, and must continually adapt to new predators in order to survive? What if the second coming of Alexander the Great, of Genghis Khan, of Napoleon, of Patton... what if it was a teenaged girl from South Central, L.A. named Destiny? And what if she decides to secede three blocks of the 'Hood from the Union? Who is going to take it back from her and her army of gangbangers? Who CAN?

From writers **MARC BERNARDIN** and **ADAM FREEMAN** (Alphas, X-Men Origins, Nightcrawler, The Authority, The Highwaymen) and rising-star artist **AFUA RICHARDSON** comes a harrowing, action-packed tale of a city that declares war on a brilliant young woman pushed to the edge

STRAY BULLETS: KILLERS #6

STORY / ART / COVER: DAVID LAPHAM

AUGUST 13 / 32 PAGES / BW / M / \$3.50

For as long as she can remember, Virginia Applejack has been running. She's run from her family, run from the mob, and run from love. But now she's going to take a stand. There's a murderer in her neighborhood that only she knows about. A man she's ready, willing, and able to kill to preserve her new life...Just like God told her to. See how a Beach House, a Hanukkah Party, and a bowl of hard boiled eggs add up to a fateful decision for one scarred young lady in "The Chosen One"...

SUPREME BLUE ROSE #2

STORY: WARREN ELLIS
ART / COVER: TULA TOTAY

AUGUST 20 / 32 PAGES / BW / M / \$2.99

Diana Dane is being transported by Darius Dax in the hunt for the mysterious Ethan Crane. It's a car ride that takes her a lot further than she expects: out into the nature of the universe itself.

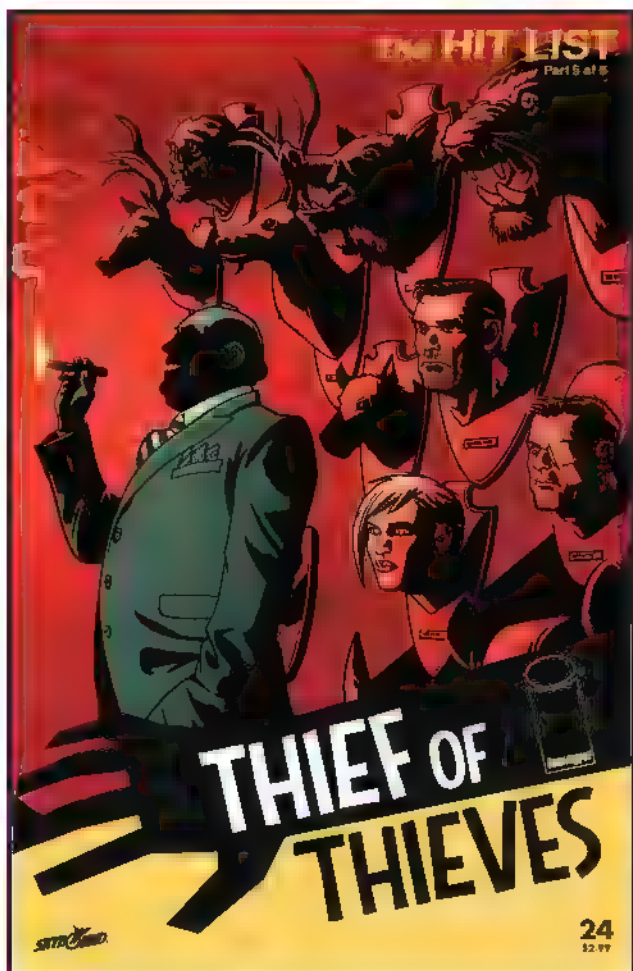

TECH JACKET #2

STORY: JOE KEATINGE
ART: KHARY RANDOLPH & DAVE McCAIG
COVER: KHARY RANDOLPH & EMILIO LOPEZ

AUGUST 6 / 32 PAGES / FC / T+ / \$2.99

Tech Jacket's newest adventure brings him in touch with the Colossal...but is this massive ship the vanguard of an alien invasion, or something more sinister? Your mind, prepare to be blown!

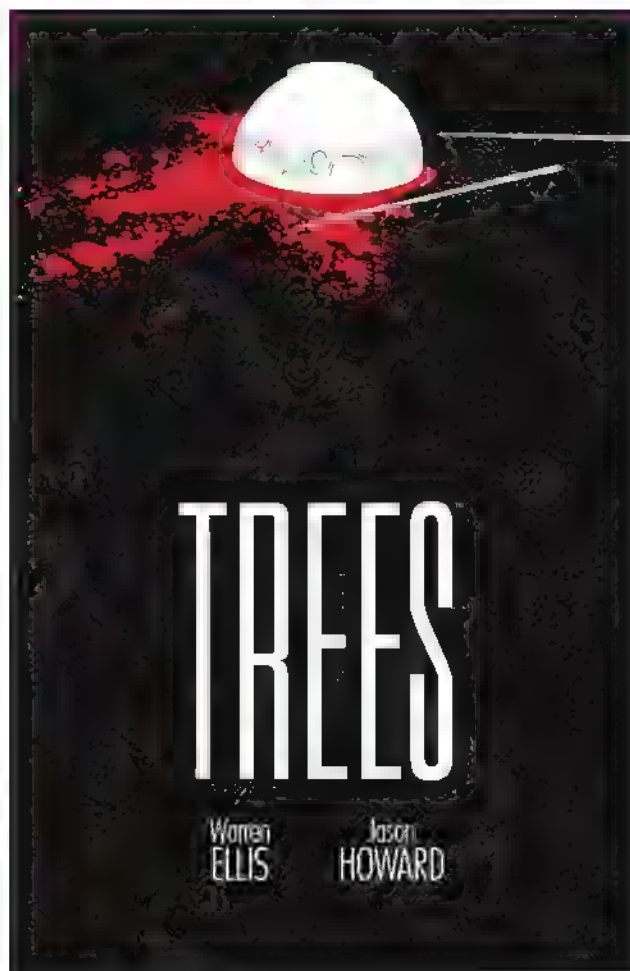

THIEF OF THIEVES #24

STORY: ANDY DIGGLE

ART / COVER: SHAWN MARTINBROUGH & ADRIANO LUCAS

AUGUST 27 / 32 PAGES / FC / M / \$2.99

As "The Kill List" marches towards its conclusion, somebody's got to die...

TREES #4

STORY: WARREN ELLIS

ART / COVER: JASON HOWARD

AUGUST 6 / 32 PAGES / FC / T+ / \$2.99

Chenglei is starting to find himself in Shu, the Chinese city built under a Tree, but things are starting to find him, too. There's a storm coming, and the pressure is starting to be felt all over the world.

UMBRAL #8

STORY: ANTHONY JOHNSTON

ART / COVER: CHRISTOPHER MITTEN

AUGUST 20 / 32 PAGES / FC / M / \$3.50

"WHAT WHISPERS IN A WODE"

What indeed! But don't worry, you'll find out soon enough -- after some sword-fighting, horse-stealing, spooky-forest-riding, soldier-tracking, nightmare-enduring, and corpse-finding, of course!

Also: a teensy bit of Mistwalker. See how nice we are to you?

THE WALKING DEAD #130

STORY: ROBERT KIRKMAN

ART: CHARLIE ADLARD, STEFANO GAUDIANO,
& CLIFF RATHBURN

COVER: CHARLIE ADLARD & DAVE STEWART

THE WICKED + THE DIVINE #3

STORY: KIERON GILLEN

ART / COVER: JAMIE MCKELVIE & MATT WILSON

AUGUST 20 / 32 PAGES / FC / M / \$3.50

Laura has no choice. She has to go underground to find the goth-goth-gothity-goth of the Morrigan. Is this the most ill-advised underworld-related decision since Orpheus decided to see how Eurydice was doing in the back seat? To find out, read the comic that people are literally calling "The one by GILLEN/MCKELVIE/WILSON with the very long title."

WILDFIRE #3

STORY: MATT HAWKINS

ART / COVER A: LINDA SEJIC

COVER B: STJEPAN SEJIC

AUGUST 20 / 32 PAGES / FC / T+ / \$3.99

In the aftermath of the fire that swept through West Los Angeles, other plants are now growing wildly out of control and no one seems to know why or how to stop it. The city has been quarantined and the military is considering. Can Dan and Violet stop the disaster before the military takes more drastic measures for containment?

AMULET VOLUME 6: THE ESCAPE FROM LUCIAN SC Graphix

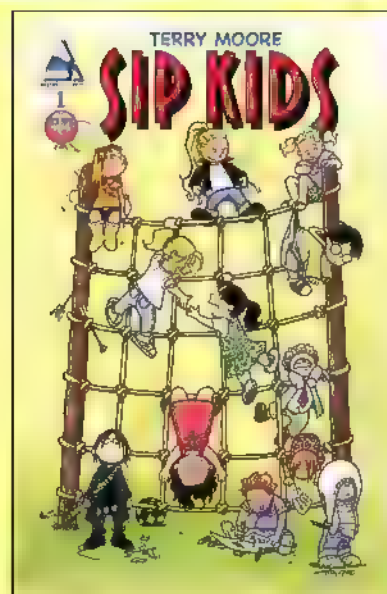

Kazu Kibuishi (Copper, Daisy Cutter) is back with the newest installment of the kid friendly and New York Times bestselling graphic novel series: Amulet! After discovering a mysterious necklace in the library of her great-grandfather, Emily and her brother Navin are thrust into a quest to save their mother from a nasty tentacle monster that invades the basement of their new home and kidnaps her. In pursuit of the creature, Emily and Navin follow the monster into a fantastical alternate reality populated with talking animals, robots, demons, and humans who are locked in a war with the Elves.

Now the stakes are raised as the war with the Elves heats up even more, Emily and Navin travel to Lucian. The city has been decimated in the conflict leaving it nothing but rubble. Casualties within the city are undoubtedly high. Will the two manage to make it out of the city alive with all of their friends more or less intact or will they fall prey to military might of the Elf King?

Be sure to pick up Amulet: Escape from Lucian in store this August and join Emily and Navin on their latest adventure!

Teacher T-Shirt

Obi Wan never told you what an awesome shirt your father wore. Search your closet, you know it to be true. Do not be too proud of this sartorial spectacle you've constructed. The ability to color-coordinate is insignificant next to the allure of this awesome shirt. Shopping crowds do not concern me. Admiral, I want this shirt, not excuses.

MR, Color, 144 pages

Trade Paperback: \$19.99
Hardcover: \$27.99

About: Si Spurrier unleashes the epic conclusion to the longest and most intense Crossed story ever! The island was a safe place. Sure there were petty politics, strife, and discontent, but that was life on Cava. Now the destruction of the American drift fleet opens the eyes

of the petty and the jealous. And what of the strange Crossed Nun that is tied to Shaky's past? Is she a savior holding back the Crossed berserkers from their eventual urges to pillage? Or is she a demon waiting for the moment to strike? Hell is coming for the island survivors and no place is safe from the monsters in its wake. In a world without help and without hope... there is only the Crossed. This volume collects the and final chapter of the hit online web comic Crossed: Wish You Were Here. Also available in hardcover, with a new cover by Jacen Burrows.

MR, Color, 160 pages

About: JONATHAN HICKMAN's vision for the end of the world through divine retribution continues with an electric new chapter from series writer MIKE COSTA! After the cataclysmic battle of gods, the human religions are left in tatters and civilization in ruin. The human-born goddess Gaia has laid claim to Earth and very few dare to oppose such an absolute divine ruler. But, oh so many gods have yet to make their play, this time they have seen the folly of their peers... now they plan and plot and prepare to bring Armageddon! Divine vengeance unwinds in the pages of God Is Dead and the very earth itself is the prize for the remaining gods of old. Collects issues #7-12 of the ongoing God Is Dead comic book series.

This enjoyable volume collects all of Crankshaft's baseball-themed exploits. *Strike Four!* The *Crankshaft Baseball Book* allows Batiuk and Ayers to explore a man's life and humorously and touchingly to examine how only barely touching the brass ring shaped it — and left him a little cranky. **KILL MY MOTHER****LIVERIGHT / WW Norton**

Before anything else, a big "Thank You" to Jules Feiffer and my uncle. My uncle for giving me the October issue of *Playboy* back in 1965 (or at least part of that issue), and Feffer for the article on "The Great Comic Book Heroes" which introduced me to *The Spirit*, *Plastic Man*, and so many more comics beyond the local spinner rack.

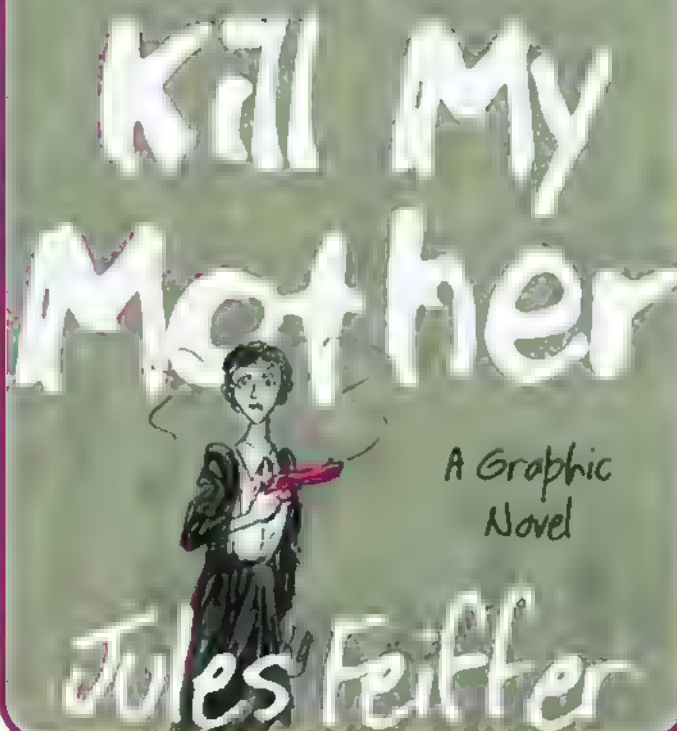

While "The Great Comic Book Heroes" was more than enough to make Feffer a must read, I found a treasure trove of his books in the second hand stores and Brandeis book fairs I frequented. Feffer's art style seems to combine a free flowing almost graphic stream of conscience and graphic story telling made books like *Passionella*, *The Explainers*, and *Sick Sick Sick* my alternative/indie comics before I was aware of their existence.

After years of plays, novels, children's books, and classic work like illustrating *The Phantom Tollbooth*, Jules Feffer has returned to his comic book roots.

An original graphic novel from WW Norton's Liveright imprint, *Kill My Mother* allows Feffer to tell a story that is all crime noir as he channels film noir, Eisner's *The Spirit* with a splash of Chandler, Hammett and, for me, a bit of Spillane and Shakespeare while making the book totally Feffer.

Kill My Mother is a graphic novel that I fully expect will be on every major graphic novel best of list and lead to yet another award for the Pulitzer Prize and Oscar winning author, Jules Feffer.

SLAM CITY:
FINISHED
Papercutz

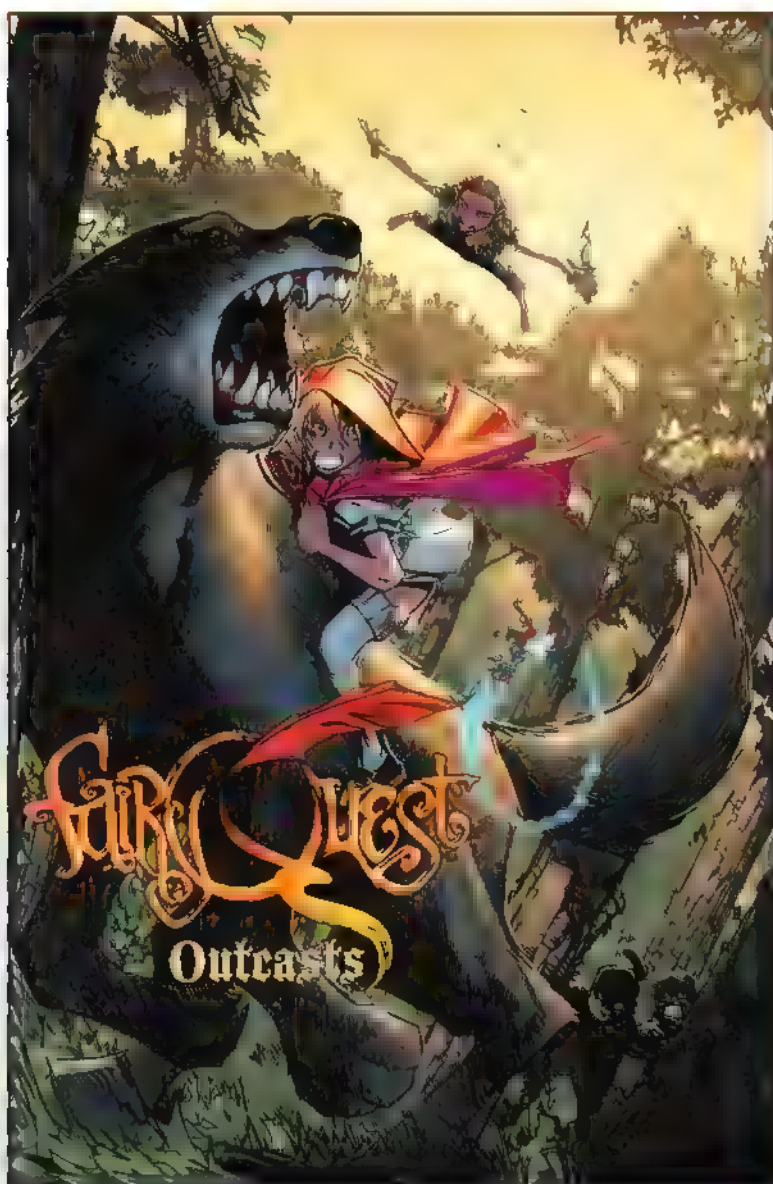

Based on the toy line-turned-cartoon, *Slam City: Finished* expands on the events of the claymation shorts that pose the question: "What would Superstars do if they weren't wrestlers?"

When the nefarious Finisher (a masked villain who has taken over Vince McMahon's office) starts firing Superstars, they must venture out into the city to find new jobs. Now John Cena gives "attitude adjustments" to cars, Kane uses his hellfire to rehear cafeteria food, and Rey Mysterio 619's anyone who doesn't regard his crossing guard sign.

What will make this series enjoyable for WWE fans of any age is its inability to take itself seriously. Bonus: see if you can find the Spaceballs reference.

FAIRY QUEST: OUTCASTS #1

WHY WE LOVE IT

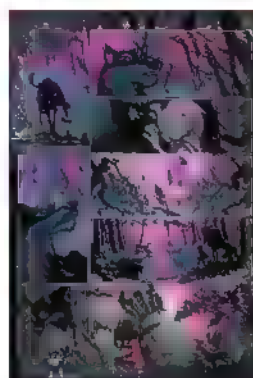

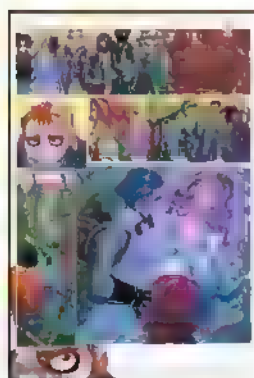

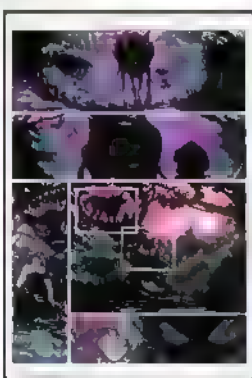

FAIRY QUEST is the passion project of Paul Jenkins and Humberto Ramos, the team behind **REVELATIONS** and a legendary run on **SPECTACULAR SPIDER-MAN**. They have put their heart, love, and creative wonder into this groundbreaking series, and we're excited to explore more of the world of Fablewood!

WHY YOU'LL LOVE IT

We all grew up reading fairy tales. We all love fairy tales! But if you enjoy your fairy tales with a twist like **FABLES**, **FAIREST**, or **ONCE UPON A TIME**, **FAIRY QUEST** is the perfect series for you. Plus, Paul and Humberto have already made the fans their co-publishers with a successful Kickstarter!

WHAT IT'S ABOUT

The adventures of Red and Wolf have only just begun. In Fablewood, all of the stories that have ever been told live side-by-side. But it is an evil place, overseen by the awful Mister Grimm and his cadre of Think Police. Red and Wolf want to escape to a world where their friendship isn't prohibited, but nothing can prepare them for what lies ahead in the Dark Forest.

A FEW WORDS WITH MICHAEL ALAN NELSON

You first created **HEXED** in 2008. How does it feel to be back writing another **HEXED** story?

MICHAEL ALAN NELSON: It feels utterly fantastic. I've been waiting to tell more stories in the **HEXED** universe ever since, so I am thrilled to have the opportunity to do so

Will this story pick up right after where the first series ended? Or will some time have elapsed?

MAN: Some time will have elapsed. Lucifer's relationship with Val will have grown and we'll get to see some new additions to Lucifer's circle of, well, acquaintances

For people new to **HEXED**, will they be able to enjoy this series without having read the first one?

MAN: Absolutely. That's one thing we've been very conscious of. We want new readers to be able to come in cold and enjoy the story while still giving fans of the series something new and exciting.

The last time you wrote **HEXED**, you worked with then-unknown artist Emma Rios. Now you are working with another newcomer, Dan Mora. What is it like getting to work with fresh, new talent?

MAN: It's very exciting. The biggest joy for me as a comics writer is when the art comes in. And when you have a new talent like Dan or Emma (who is now a deservedly bonafide rock star), it's even more special because you're not quite sure what to expect. And I'm always pleasantly surprised. The art always looks better than what I had envisioned in my head.

At the end of the first arc of **HEXED**, you introduced a major new player in Lucifer's life: Madame Cymbaline, one of the kingpins of the supernatural underground. Who (or what) are the major threats in this new story?

MAN: Ah, that is a very good question. Madame Cymbaline is back in a big way, but she won't be alone. And as Lucifer tries to deal with Cymbaline, she'll find herself dealing with some other threats of her own making.

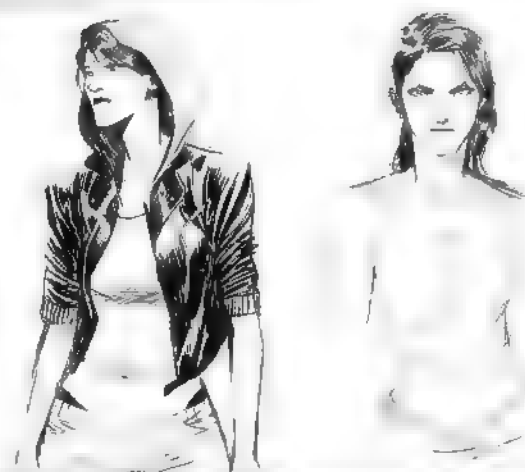

Will we see any other fan-favorite characters make their return, and what types of new faces might we see?

MAN: We'll see a return of Val in her maternal role as the head of the Brøndne Art Gallery and we'll definitely see the Harlot since she and Lucifer are inextricably linked. But there will be new characters as well, most notably Raina, an intern at the art gallery who doesn't find Lucifer nearly as charming as Val does. Raina and Lucifer have an abrasive professional relationship that will be pulled into interesting directions when they're forced to help one another

WHY WE LOVE IT

RAY MEN, 20 DAYS LATER, DINGO. Besides being one of our favorite writers, Michael Alan Nelson is one of the industry's preeminent voices in horror, and we couldn't be happier to be bringing back his fan-favorite creation **HEXED** for another dive into the depths of the Author with an ongoing series!

WHY YOU'LL LOVE IT

After a few period mockups of Betty the vampire's Sayer and Lark Book. Plus, **HEXED** was **PRETTY DEADLY** and **AMAZING SPIDER-MAN** superstar Emma Rios' introduction to the American comics scene back in 2006, and now series artist Dan Mora is poised to continue the trend with his fierce, horrific, and wholly unique take on Lucifer.

\$9.99 112 PAGES FULL COLOR

WHY WE LOVE IT

Here at BOOM! Studios, crime is in our blood. From our comic-turned-feature film **2 GUNS** to our critically acclaimed series **HIT**, we've always had a passion for all things noir. **DEAD LETTERS** is the next step in our exploration of the genre.

WHY YOU'LL LOVE IT

Creators Christopher Sebela (**GHOST**, **HIGH CRIMES**) and newcomer Chris Visions have combined to create a perfectly moody tale that will evoke memories of your favorite noir story—then turn it on its head. Don't miss out on a wholly unique take on crime fiction perfect for fans of **RICHARD STARK'S PARKER**, **CRIMINAL**, and **FELL**.

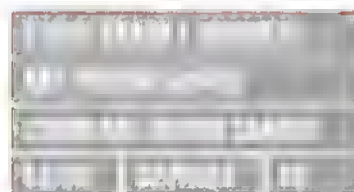

WHAT IT'S ABOUT

Waking up in a fleabag motel with bandaged arms and a revolver on his desk, Sam doesn't remember a thing—not how he got here, where here is, or who he is. But the armed men knocking on his door do and Sam will have to use every trick from his forgotten repertoire to outrun and outsmart his way through a hard-boiled wonderland of gang wars, femme fatales, and big secrets. Collects issues #1-4.

BLACK MARKET #2 (OF 4)

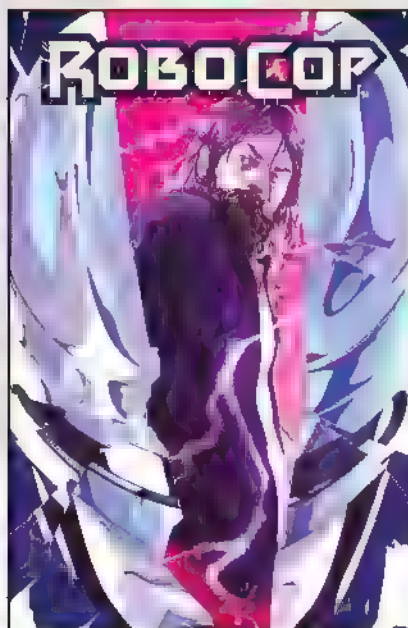

black market

Under Denny's coercion, Ray has successfully procured and sold his first batch of Super DNA on the black market. The scary part? He's a natural, so much so that he and Denny need to expand the operation by bringing in some added muscle—a former hero with an axe to grind against the Supers who forced him out of the life.

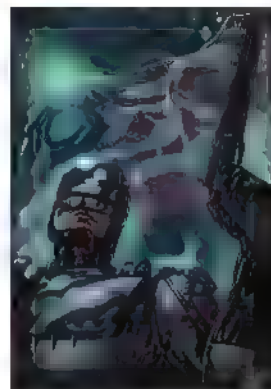

ROBOCOP #2

ROBOCOP

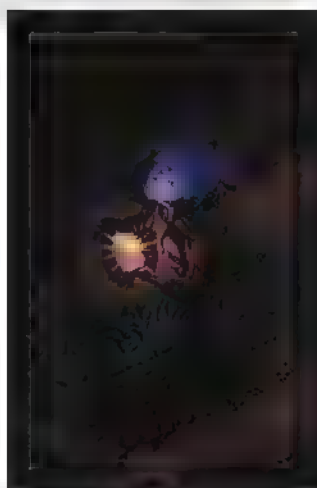

OC's massive overhaul on gun control has left the city of Old Detroit in the midst of an uprising. With RoboCop and Officer Lewis in the middle of a law they cannot support but must uphold, there is no end solution in sight that doesn't paint the streets in the blood of the innocent.

WHY WE LOVE IT

Over the past three years, Clive Barker has re-imagined the **HELLRAISER** mythos as only he could, building a long-form narrative that became one of the best-received horror comics in recent memory. Now, the Master of Horror takes us into his **Bestiary** for an anthology series free of continuity, but full of shocking consequences.

WHY YOU'LL LOVE IT

HELLRAISER: BESTIARY will pick up where classic horror comic anthologies like **TALES FROM THE CRYPT**, **VAULT OF HORROR**, and the more recent **FLINCH** left off. And not only will some of comics' rising stars, such as Ed Brisson (**SHELTERED**), and Michael Moreci (**CURSE**), get a chance to open the puzzle box in this series, but the first issue features the comics debut of award-winning novelist Victor LaValle (**THE DEVIL IN SILVER**, **BIG MACHINE**).

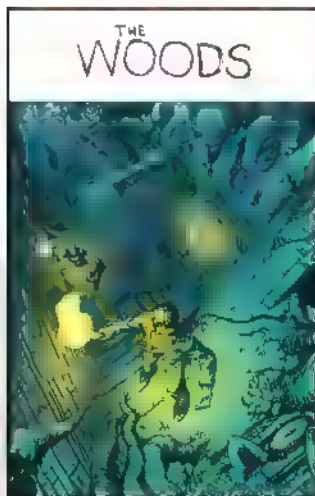

WHAT IT'S ABOUT

Step into the **Bestiary** for all-new tales of the LeMarchand Device and its guardians! This first issue contains the start of a six-part serial written by Mark Miller (**CLIVE BARKER'S NEXT TESTAMENT**) and Ben Meares (**HELLRAISER ANNUAL 2013**), and drawn by Carlos Magao (**DEATHMATCH**), where a group of mercenaries are hired to steal Pinhead's pins. Also, superstar author Victor LaValle teams with artist Colin Lorimer (**CURSE**) to tell a story set on the outskirts of New York City, as a close-knit community is torn apart by the presence of the puzzle box.

What if there really was a Garden of Eden — a place with a history before the first people we know of and a God before the one we now recognize? A civilization cursed and banished underground for breaking the town commandment — to live in balance with the Earth. When an evil coal operator discovers that the "sacred" carbon can burn forever, he will sacrifice the land and the people to extract the full deposit. After 30 years of failed attempts, covered up as fatal mining accidents, the coal baron has finally found a way to extract his riches. But in his final attempt he awakens and releases a hell the surface world cannot imagine. And the only thing that stands in the way of the end of the world as we know it is a disgraced, ex-pro baseball pitcher and a community of courageous coal miners. Carbon is a new take on Man, Earth, and the God we know. Or think we know. Fantasy? Maybe, maybe not. But for certain,

WRITER PETER MILLIGAN DISCUSSES HIS NEW SERIES FROM DYNAMITE ENTERTAINMENT

DYNAMITE ENTERTAINMENT: The main character of **TERMINAL HERO**, Rory Fletcher, is a real piece of work! What can you tell us about him?

PETER MILLIGAN: Oh, he's a piece of work all right! But when we meet first young Dr Rory Fletcher he's a good guy, an everyman, who has just received tragic news. He's dying of inoperable brain cancer. That, though, is only the **BEGINNING** of the story. And we soon see a whole different side to Rory.

Rory has one chance of staying alive. And that's the strange Treatment Q, developed by a maverick caled Quigley several years back and banned by the UK government because of its nightmarish side-effects. Side-effects are the least of Rory's worries when he begins the treatment. But they soon show Rory a side to him he didn't think possible. Rory's about to find out how if the Treatment can cure him. **AND** he's about to discover how good he really is.

And when the side-effects get too bad he stumbles upon a **VERY** novel way of counteracting them, one that you won't find in any medical handbook.

DE: Obviously, Rory's wrestling with more than a few personal demons. Are there external threats that he has to face, as well? What can you tell us about them?

PM: "Personal demons" hardly begins to describe the psychological and physical horrors that Rory will face. But there **ARE** external threats too. When Rory begins taking the forbidden treatment he comes to the attention of intelligence agencies and a half dead human monster, both of whom think Rory can be of use to them.

DE: With all its violence and vices, we've got to ask: where did you draw the dark tone of **TERMINAL HERO** from? Any influences?

PM: Terminal Hero has been a strange experience. It began with a meditation on death and terminal illness (I assure you, the comic is **NOT** depressing!) after my guitar teacher developed a brain tumor. Being an epileptic I've always had a keen interest in the brain: how a tumor or blast of excessive neuronal activity can have such a profound effect on consciousness. Sometimes when I've come to after a seizure I've wondered what was going on in my brain while I "wasn't there". What was happening in the darkness?

I hope to God that what goes on in my darkness is nowhere near as dark or terrible as Rory but these were my opening thoughts and influences.

DE: When fans of your work look at the new **TERMINAL HERO** series, will they see parallels in theme or characterization?

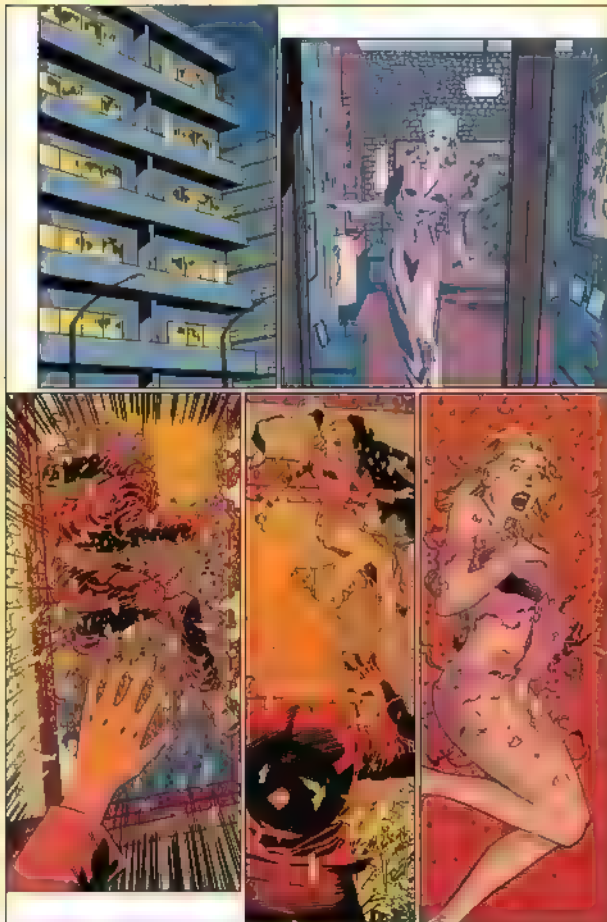

PM: I'm sure there'll see my interest in big themes about identity, and the meaning of what it is to be a good person. The good people at Dynamite are incredibly supportive in allowing me to follow my own vision here, however dark or harrowing it might become.

I think my fans will also recognize my sometimes quite twisted sense of humor in Terminal Hero. Life, and even death, isn't all about horror and darkness. It's often funny, even when it doesn't mean to be. A sick, twisted tragi-comedy that we're all taking part in, whether we want to or not.

DE: Why will comic readers love **TERMINAL HERO**?

PM: While I was writing Terminal Hero, life around me seemed to respond in an unnerving and scary way, which I really believe injects the story with an unusual sense of honesty and realism, even when the weirdest stuff is going on.

It a classic story of a decent guy trying to overcome seemingly insuperable odds. Only to discover that the greatest obstacles to his deliverance reside in the dark corners of his own soul.

WHO ARE JUSTICE, INC.?

Three mysterious heroes with very different powers and conflicting methodologies are forced to band together as unlikely allies battling through the ranks of the undead in order to save America from the destruction of its latest technologies, as the very fabric of time is being torn asunder!

- A. **Clark Savage, Jr.**, better known to the world as "**Doc Savage**," is the seemingly ageless adventurer who represents the best a human can be, intellectually and physically. His compassion defines him as well as his life-long mission to benefit mankind.
- B. **Kent Allard**, better known to the world as "**The Shadow**," is a man, yet a seeming force of nature. Kent's physical and mental prowess, his skill with his weapons, and his network of loyal-to-the-death secret agents, makes him the judge, jury and executioner of men with evil lurking in their hearts.
- C. **Richard Henry Benson**, better known to the world as "**The Avenger**," is the 1939 hero whose existence is now based only on his unquenchable thirst for justice. Known as "The Walking Dead Man," he's perceived by those who encounter him as a modern-day zombie.

Best-selling author Nancy Collins continues her epic run on Vampirella! After escaping the Witches Hammer—the Vatican's elite monster-killing squad, lead by Father Nicodemus—Vampirella's new-found ally, the Nosferatu known as Drago, reveals that the only way to lift the curse placed on her by Ethan Shroud that is slowly making her a living vessel for Umbra, Our Lady of Shadows and Bride of the Apocalypse, is for her to drink the blood of certain rare species of vampire. The first stop on their monster world tour is Thailand, where Vampirella must hunt down and kill a horrific creature known as the Krasue—which appears only at night as the head of a beautiful woman—attached to nothing but a heart, a pair of lungs and a mass of entrails!

LAST AIRBENDER MOVIE ADAPTATION ON

(W) Dave Roman (A) Joon Choi
Summer 2010's film *The Last Airbender* is adapted into comics in this original black and white manga edition. Waging a devastating war, the Fire Nation destroyed the harmonious balance among the four nations. In such dire times, the Avatar, master of the all four elements, is expected to return bring balance to the world. But the Avatar has been missing for a hundred years. When teenagers Katara and Sokka of the Southern Water Tribe rescue a young boy frozen in an iceberg sphere, their lives — and his — are changed forever. The boy is Aang, the long-lost Avatar and the last of the Airbenders! (STK415599)

**EARTHLING GN**

(W/A/CA) Aisha Franz

A finely wrought account of aliens and alienation in the suburbs. German cartoonist Aisha Franz's debut graphic novel details a few short days in the life of two sisters and their single mother. Set in a soulless suburb populated by black after black of identical row houses bordered by empty fields and an industrial no-man's land, *Earthling* explores the loneliness of everyday life through these women's struggle to come to terms with what the world expects of them. Drawn in deep grey pencil, *Earthling* is an atmospheric and haunting account of the inevitability of losing the dream worlds of childhood. (STK646549) (C: 0-0-1)

**EVEN MORE BAD PARENTING ADVICE GN**

(W/A/CA) Guy Delisle

Even More Bad Parenting Advice marks Guy Delisle's second foray into the world of offering bad advice to parents, and a second opportunity to express the minor frustrations and many joys of parenting. Delisle's skilful hand at illustration and ironic way with words, which helped to popularize his travelogues about daily life in faraway places, are just as much the stars here as he or his children are. Delisle celebrates the reality that parenting isn't all first steps and gold-starred report cards, it's stinky diapers and never-ending drives to the grocery store, too. (STK646551) (C: 0-0-1)

**SPOTLIGHT ON****MOOMIN ON THE RIVIERA GN**

(W/A/CA) Tove Jansson

As springtime dawns in Moominvalley and the first northern crocus opens, Moominpappa and Snorkmaiden, glamorized by the prospects of movie stars and gambling, insist the whole family take a trip down to the Riviera. Reluctantly Moomin and Moominmamma agree to go along, and the Moomins set off on a grand adventure, complete with butlers, luxury shops, indoor swimming pools, and duels at dawn. With the innocent curiosity about everything, the Moomins prove the perfect foil for the cynical, world-weary residents of the Riviera. (STK646550) (C: 0-0-1)

STARS of the MONTH**MOOMIN AND THE GOLDEN TAIL GN**

(W/A/CA) Tove Jansson

Another classic Moomin story reworked in full color, with a kid-proof but kid-friendly size, price, and format. One day Moomin notices that his tail seems to be thinning. Worried that Snorkmaiden will no longer love him if his tail goes bald, he consults the family doctor and several tail specialists, and even gets an X-ray. Nothing helps! Finally Moominmamma cooks up a magic potion, and it works like a charm, but now Moomin's lustrous new tail is, well, solid gold! (STK624817)

**BURMA CHRONICLES GN**

(W/A/CA) Guy Delisle

Burma is a country notorious for its use of concealment and isolation as social control, where scissors-wielding censors monitor the papers, the de facto leader of the opposition has been under decade-long house arrest, insurgent-controlled regions are effectively cut off from the world, and rumor is the most reliable source of current information. Guy Delisle turns his gaze to the everyday for a sense of the big picture. *The Burma Chronicles* is drawn with a minimal line, and interspersed with wordless vignettes and moments of Delisle's distinctive slapstick humor. SISTERS

Graphix /Scholastic Books

There is something always so wonderfully honest and beautiful about Raina Telgemeier's books. From her highly expressive art style to her refreshingly light-hearted and charming writing, when you read one of Raina's graphic novels, although you are reading her story—getting a small autobiographical glimpse into her childhood—there are so many delightful and nostalgic moments that truly make her experiences your own and her books an absolute pleasure to read.

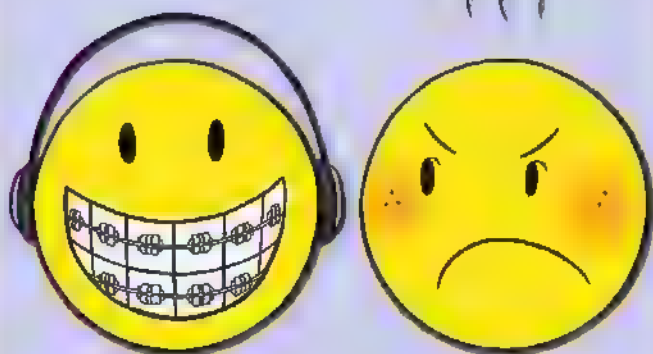

Her newest graphic novel *Sisters* is no exception. Being an older sister myself, when I was reading Raina's tale about her baby sister being born and not being nearly as fun as she had imagined, I thought, "Man, I remember thinking that, too!" When I got to the parts about Raina's long road trips and household quarrels with her pesky sister who appeared to have been brought into this world solely to ruin her teenage life, I couldn't help but remember all the times my own sister drove me up the wall.

If you have siblings, you will absolutely be able relate to Raina's down-to-earth and humorous take on that unique family dynamic, but I don't believe that you need to be a sister (or brother) to enjoy this book. In fact, although *Sisters* reminds us of the tough (but wistfully fun) times with siblings, the book is also a wonderful story of a normal family with normal family experiences making the best of everything that life throws at them.

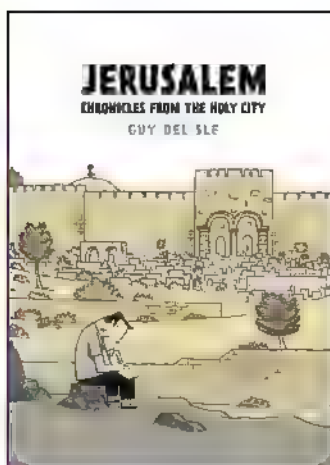

An undoubtedly delightful story, Raina also blends into the light-hearted moments, events, and experiences that are slightly somber, more contemplative, but seamlessly complementary and real. You walk away from *Sisters* with fond memories, but you also walk away with the feeling that you just read something important and reflective of moments in your own adult life. Raina Telgemeier writes a wonderful kid's graphic novel, but she also writes a wonderfully truthful story for adults and this is what makes her a one-of-a-kind voice in the industry today with books that everyone should read!

JERUSALEM: CHRONICLES FROM THE HOLY CITY HC

(W/A/CA) Guy Delisle

Guy Delisle expertly lays the groundwork for a cultural road map of contemporary Jerusalem, utilizing the classic stranger in a strange land point of view that made his other books required reading for understanding what daily life is like in cities few are able to travel to. In *Jerusalem: Chronicles from the Holy City*, Delisle explores the complexities of a city that represents so much to so many. When observing the Christian, Jewish, and Muslim populations that call Jerusalem home, Delisle's drawn line is both sensitive and fair, assuming nothing and drawing everything (STK461782) **NOTE:** Not available in the U.K. (May Purchase from U.K. Vendor)

PYONGYANG: A JOURNEY IN NORTH KOREA TP

(W/A/CA) Guy Delisle

Famously referred to as one of the "Axis of Evil" countries, North Korea remains one of the most secretive and mysterious nations in the world today, even after the death of Kim Jong-il. In early 2001 cartoonist Guy Delisle became one of the few Westerners to be allowed access to the fortress-like country. While living in the nation's capital for two months on a work visa for a French film animation company, Delisle observed what he was allowed to see of the culture and lives of the few North Koreans he encountered, his findings form the basis of this remarkable graphic novel. SHENZHEN: A TRAVELOGUE FROM CHINA SC

(W/A/CA) Guy Delisle

Shenzhen is entertainingly compact with Guy Delisle's observations of life in urban southern China, sealed off from the rest of the country by electric fences and armed guards. With a dry wit and a clean line, Delisle makes the most of his time spent in Asia overseeing outsourced production for a French animation company. He brings to life the quick pace of Shenzhen's crowded streets. By translating his fish-out-of-water experiences into accessible graphic novels, Delisle skillfully notes the differences between Western and Eastern cultures, while also conveying his compassion for the simple freedoms that escape his colleagues in the Communist state. A USER'S GUIDE TO NEGLECTFUL PARENTING GN (NEW PRINTING)

(W/A/CA) Guy Delisle

With *A User's Guide to Neglectful Parenting*, the dry humor that pervades Guy Delisle's landmark and praised graphic travelogues takes center stage. Quick, light vignettes play on the worries and cares any young parent might have, and offer wry solutions to the petty frustrations of being a dad who works from home. Readers: The relationship between young child and all-too-irony-aware parent is beautifully done here, and Delisle's loose flowing style has been set free, creating a wonderful sense of motion throughout. *A User's Guide* is an intimate, offbeat look at the joys of parenting. SET TO SEA New Softcover Edition!

by Drew Weing

\$16.99 / SC / 144 pgs / BW / 5.25 x 6.5

Fantagraphics proudly brings Drew Weing's hit nautical classic back into print. The central character of *Set to Sea* is a poet who writes paeans to the seafaring life. When he gets shanghaied aboard a clipper bound for Hong Kong, he finds the sailor's life a bit rougher than his fantasies, but he soon learns to love life on the sea.

Set to Sea is part adventure, part maritime ballad. Every page is a single panel, every panel is a stunning illustration, every illustration a part of a larger whole that tells a story in the deft language of cartooning.

THE BUS HC**

(W/A/CA) Paul Kirchner
The bus comic strips were first published in 1978 in *Heavy Metal* magazine, where they appeared regularly for seven years. In six to eight mostly wordless panels, former Wally Woods' assistant Paul Kirchner takes readers through a tightly rendered surrealist world as experienced by a bald man and a forever returning bus. In *The Bus*, fire hydrants come alive, buses choose to stray away from the law and the distant horizon might be just an arm's length away. In the 25 years since its original publication in 1987, this forgotten gem has never been republished. (STK645414) (C: 0-1-0) **NOTE:** Not available in France, Belgium, Canada, or Switzerland.

**GIANT ROBOT
WARRIOR
MAINTENANCE
CREW #1
Cosmic Times**

As the old saying goes, those who can't do... do maintenance. In the flashy and exciting world of the future, giant robots, manned by a team of human pilots, are the only defense humanity has against extinction from alien forces. These robot pilots are heroes to the public, celebrities rivaling movie stars and professional sports players but not everyone is cut to sit in the pilot's chair. Some of us have to clean up after them.

Erica dreamed of becoming a robot pilot, saving the world and the rest of space just like the pilots she idolized growing up. Unfortunately, not everyone in the pilot program is selected and Erica suddenly found herself looking for a different career path. That's when Erica decided, the next best thing to piloting a robot would be riding in one as the maintenance crew who kept them running. With the guidance of Jeb, her supervisor, Erica will learn what it's really like to be a glorified "janitor" on a robot hurdling through space hitting every alien and asteroid along the way. It's far from floor mopping and bolt tightening in *Giant Robot Warrior Maintenance Crew* because, if a leaking reactor doesn't kill Erica, the ferocious, human-sized space parasites probably will.

Pacific Rim meets *The Office* as G.R.W.M.C. brings sci-fi humor and a blue-collar mentality to the romantic notion of space travel and the dirty jobs that make it all possible. Creators Nathan Hill and Mervyn McKay make a very solid debut in **PREVIEWS** with this sleeper-hit mini-series that's definitely worth a read.

HOW THE WORLD WAS: A CALIFORNIA CHILDHOOD GN

(W/A/CA) Emmanuel Guibert
In 1994, French cartoonist Emmanuel Guibert befriended an American veteran named Alan Cope and began creating his new friend's graphic biography. *Alan's War* was the surprising and moving result: the story of Cope's experiences as an American GI in France during World War II. *How the World Was* is Guibert's return to the life of his friend. Cope died several years ago, but Guibert kept working to commit his friend's story to paper. Cope grew up in California during the great depression, and this remarkable graphic novel details the little moments that make a young man's life, while capturing the scope of America during the great depression. O/A ALAN'S WAR GN

(W/A/CA) Emmanuel Guibert
When Alan Cope was eighteen, he joined the army and went off to fight in World War II. Like every American, he felt a patriotic fervor burning in him after Japan's attack on Pearl Harbor. But he had little idea what he was getting into by enlisting. This graphic memoir tells the story of his life during wartime, of his journey from his home on the west coast to basic training in Kentucky to leave in New York City, to the battlefields of France, to the terrors of the Bulge and General Patton's drive on Germany and Prague. SISTERS

(W/A/CA) Raina Telgemeier

The companion to Raina Telgemeier's best-selling and Eisner Award-winning graphic memoir, *Smile*, Raina can't wait to be a big sister. But once Amara is born, things aren't quite how she expected them to be. Amara is cute, but she's also a cranky, grouchy baby, and mostly prefers to play by herself. Their relationship doesn't improve much over the years, but when a baby brother enters the picture and later, something doesn't seem right between their parents, they realize they must figure out how to get along. They are sisters, after all. Raina uses her signature humor and charm in both present-day narrative and perfectly placed flashbacks to tell the story of her relationship with her sister, which unfolds during the course of a road trip from their home in San Francisco to a family reunion in Colorado. The Heroic Legend of Arslan 1

By Hiromu Arakawa; Original Story by Yoshiki Tanaka
August 19 • 208 pp • 13 and up • \$10.99 US

Arslan is the teenaged prince of the ancient kingdom of Pars who doesn't seem to have what it takes to be a great ruler like his father, Andragoras III. A fateful encounter with a slave from the neighboring country of Lusitania leads Arslan to question the world outside of the royal capital's walls but before he can indulge his curiosity, war breaks out. Arslan is rushed off to his first war, only to see his kingdom crumble in front of his eyes. This series of events leads the young Arslan on a journey to reclaim his lost kingdom.

Attack on Titan:
Before the Fall Volume 2

Original concept by Hajime Isayama;
Story by Ryo Suzukaze; Art by Satochi Shiki

August 19 • 208 pp • 16 and up • \$10.99 US

A prequel series to the number one best-seller, humanity has learned to live in complacency behind its high walls, protected from the giant Titans. But when a Titan-worshipping cult opens one of the gates, a Titan wreaks havoc, consuming the cultists. After the rampage is over, two young Survey Corps members are shocked to discover a pregnant woman's partially digested corpse - with her baby still alive inside it! What will the fate of this "child of the Titans" be? And how will humanity learn to cope with the Titan threat?

Volume 2 of the gory, dark, action-packed telling of events before the main timeline in *Attack on Titan*!

FOOD WARS GN VIZ Media

Shonen manga, titles like *Naruto*, *One Piece*, and *Dragon Ball*, are all about finding your passion. Passion that grabs you with two mighty hands. Passion that makes you run hard. Run hard and far. Run towards the horizon—towards the burning sun, your shadow stretching out behind you in shape of the tallest human on the planet, all the while screaming defiance at any and all who would stand in your way because you are invincible and your spirit is ablaze!

This book's like that. But with food.

Consider a series that reads like *Slum Dog Millionaire* meets *Iron Chef*. Soma Yukihira is a kid from the wrong side of the tracks who's determined to surpass his father's legendary cooking ability and to taste just about everything life has to offer along the way. Erina Nakiri is head chef student and undisputed queen of her family's super-prestigious cooking school. These cooks clash in the kitchen as titans of taste, neither is willing to give an inch, and things are only getting hotter in this frisky food manga from Viz.

MASTERFUL MARKS: CARTOONIST WHO CHANGED THE WORLD

Simon & Schuster

Odds are if you are reading **PREVIEWS** you know who Jack Kirby is and you sure better know who Jerry Siegel and Joe Shuster are and if you don't put the **PREVIEWS** back on the shelf and go find a video game to play.

Simon & Schuster tend to tread lightly in the world of graphic novels but when they do it's a yeti-sized step. This month in the Books section a book edited and written by Monte Beauchamp, *Masterful Marks: Cartoonists Who Changed the World*.

This is the story of creators that go beyond the super hero and include those artists that expanded the worlds of graphic storytelling, animation, underground comics, Sunday funnies, magazines, and poster illustration.

Using graphic story telling we are treated to Siegel & Shuster and the creation of Superman by Ryan Heshka; unique illustrated bios on Edward Gorey, Windsor McKay, and Charles Schulz; Peter Kuper on Harvey Kurtzman, Drew Friedman on Robert Crumb, Arnold Roth on Al Hirschfeld; Denis Kitchen on Dr. Seuss. Also included are bios of Walt Disney, Hergé, Rodolphe Topffer, Tezuka, and Hugh Hefner.

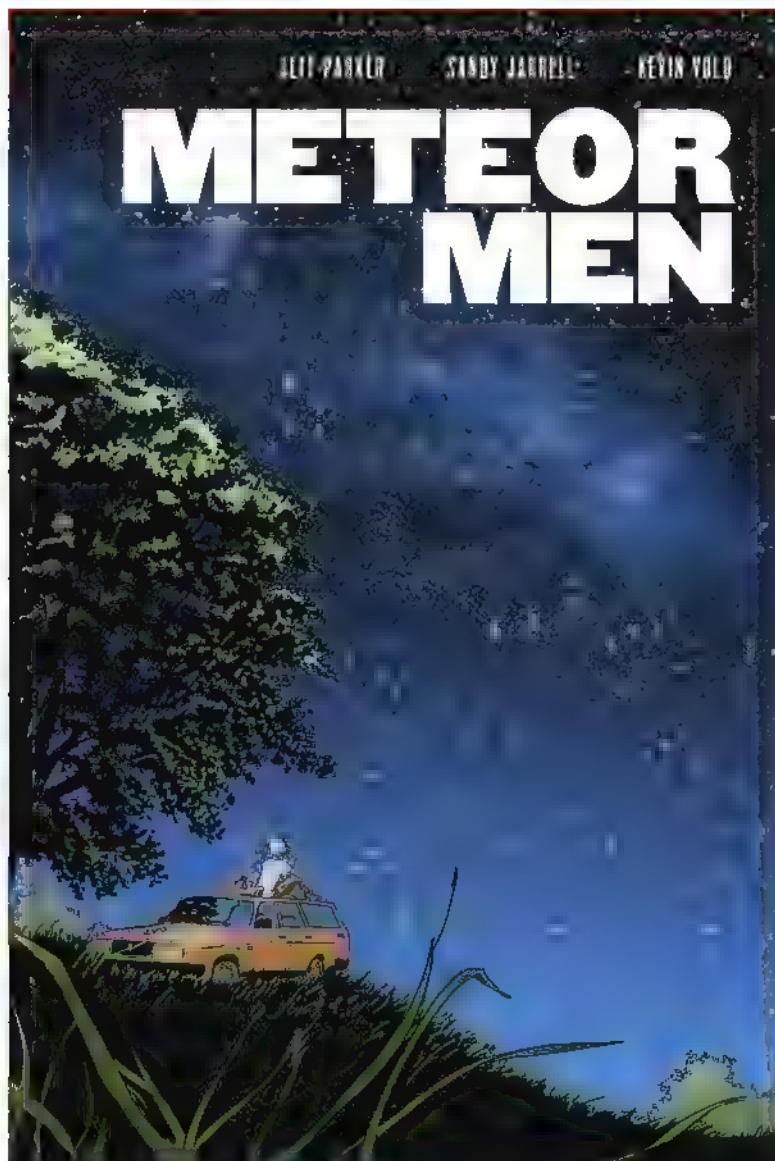

The style of the artwork brings an alternative feel to creators most would consider to be very mainstream. This book is a great blending of these various components of the comic book and graphic illustration fields.

Masterful Marks: Cartoonists Who Changed the World is a book any publisher would be glad to have published. As Simon and Schuster celebrates its 90th anniversary, it's so nice they gave us such a great present.

THE SMURFS ANTHOLOGY VOLUME 3 HC

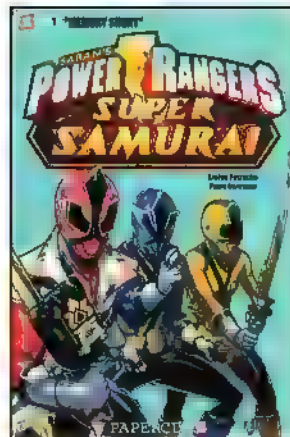

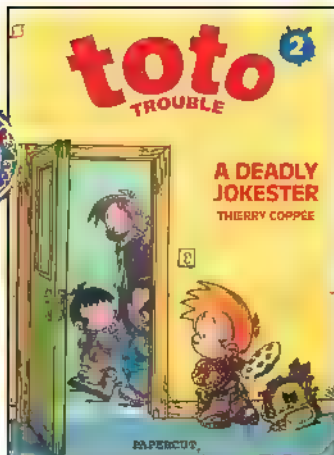

(W) Peyo, Matt Murray
(A/CA) Peyo
One of Peyo's most iconic smurfs, the Astromurf, gets the deluxe Anthology treatment. Fifty years ago, mankind set off into outer space. Now, a smurf sets foot on another planet — or does he? Could it possibly be a smurfs conspiracy to fool Dreamy Smurf into becoming the Astromurf? Or has Dreamy Smurf gone where no Smurf has gone before? Also featuring "The Smurfs and the Howlibird" and "The Cursed Land," a Johan and Peewit story appearing here in a U.S. edition for the first time! The Smurfs have delighted us all with their silliness, bravery, heroism, and heart for over 50 years, and now we finally have a definitive collection of Peyo's original comics to see where it all began. Kazama Kenji thinks he's a delinquent. He's got the look, the style and the attitude to match — he even has a second-rate entourage of sorts. Deep down, however, Kazama is a good-hearted kid who finds himself and his loyal gang in over their heads when they stumble upon the Game Creation Club. The club's formidable members, Chitose, Sakura, Minami, and Roka, are four girls who he might actually be attracted to if they weren't so freaking weird. The girls claim to have otherworldly powers which they use to defeat Kazama's gang and force him to join their offbeat club. Can Kazama resist the girls' bizarre charms and return to some semblance of a normal, everyday life — or is it "game over" for our hapless hero? (STK645477) (C. 0-1-1)

GIRLS UND PANZER VOLUME 2 GN

(W) Girls & Panzer Projekt
(A/CA) Ryowichi Saitaniya
You may have heard of kung fu, but the girls at Oarai High School practice gun-fu — really, really big 75mm gun-fu, in fact. It's called Sensha-do, and it's the martial art of operating armored tanks! They take it seriously too, and since winning the national Sensha-do championship is such a huge deal at Oarai, they sometimes go to extreme ends in order to get the best students from Panzer class to sign up. They may not be on the half-track to fame and fortune, and maybe a few of them would rather shop for tank tops than become tops in tanks, but once their focus is locked and loaded, they're absolutely driven. **SPOTLIGHT ON****I AM ALICE: BODY SWAP IN WONDERLAND VOLUME 1 GN**

(W/A/CA) Ayumi Kanou
When Makoto, an unsuspecting Japanese teen, pulls a copy of Alice in Wonderland off a library bookshelf, his world will never be the same — literally. Suddenly, he is transported into the magical world of Wonderland, and even more shockingly, he is now stuck in Alice's body! To make matters curiously, the real Alice is stuck in Makoto's body, and neither of them are happy about the situation. There's only one way to reverse the body swap and return Makoto home, but it won't be easy. They must journey together to Heart's Castle and defeat the King of Hearts.

MAYO CHIKII VOLUME 7 GN

(W) Hajime Asano (A/CA) Neet
For fans of wacky gender-benders like Kashimashi, rollicking harem comedies like Inukami!, and over-the-top high school romances like Toradora!, comes an all new zany manga series. Mayo Chiki! Kinjiro Sakamachi is a "normal" seventeen-year-old boy who happens to suffer from an abnormal fear of women, otherwise known as gynophobia. His phobia, which surfaces as an occasional nosebleed, has been kept more or less under control — until now. A visit to the school bathroom turns Kinjiro's world upside down, as he discovers the dashing and popular Kanoe Subaru is actually a girl! What's worse, the principal's cruel and domineering daughter, Kanade Suzutsuki, has every reason to keep this secret from leaking out and makes it her life's work to torment Kinjiro, while attempting to cure his gynophobia. Story & Art by Norikazu **AKIRA**

Chihiro drifts through life with no purpose, going from girl to girl, until one day he finds an abandoned kitten in a box. He quickly falls in love with little Shiro and couldn't imagine his life without her. One evening, Chihiro finds Shiro has fallen ill. While searching aimlessly for an animal hospital, he runs into Kumazawa, a local vet who takes Shiro into his care. Watching Kumazawa in action, Chihiro realizes he wishes to learn the value of life and asks Kumazawa to consider hiring him at the vet clinic. Kumazawa agrees, but only if Chihiro serves as his live-in housekeeper. Has Chihiro finally found his purpose in life, or will living with the handsome vet be a little too much to handle?

TWISTED DARK GN

(W) Neil Gibson (A) Various
(CA) Caspar Wingard

The first volume in Neil Gibson's acclaimed series of twisted tales! This 200-page book contains 12 individual, unique and interrelated stories, featuring a varying cast of characters from 10-year-old girls to Colombian drug lords and everything in between. It's up to you the reader to find the connections between the stories — some which come easy, others whose connections will only become clear in later volumes. Designed for return-reading, author Neil Gibson describes the genre as psychological thriller, but the book contains horror dark (at times demented) stories incorporating every human emotion, illegal activity, and brutal reality. Using various illustrators allows each story and character to develop their own form. Twisted Dark has been embraced by the comic book world receiving critical acclaim and a cult following. Snowpiercer is the enthralling and thought-provoking post-apocalyptic graphic novel that inspired the critically acclaimed movie starring Chris Evans (Captain America, Fantastic Four). Originally published in French, this marks the first time that Snowpiercer will be available in English. In a harsh, uncompromisingly cold future where Earth has succumbed to treacherously low temperatures, the last remaining members of humanity travel on a train while the outside world remains encased in ice. The surviving community are not without a social hierarchy; those that travel at the front of the train live in relative luxury whilst those unfortunate enough to be at the rear remain clustered like cattle in claustrophobic darkness. Yet, things are about to change aboard the train as passengers become disgruntled. .. Scheduled to ship 06/11/14. (235) (STK645989) Item has been previously solicited in Previews Plus.

This is not simply a collection of comic strips. Rather, I take the individual panels of the strips and lay out a continuous graphic novel. Since I do a storyline-driven comic, it reads smoothly from cover to cover, and since it's based on a daily humor strip, reading it in one volume lends it a rapid-fire sense of humor. (STK646229)

**JOHNNY BOO ZOOMS TO THE MOON! (VOLUME 6) HC**

(W/A/CA) James Kalchala
Johnny Boo zooms to the moon on a star-powered skateboard, where he meets a spunky little girl ghost named Susie Boom. She has BOOM power which is pretty darn loud. Luckily, the moon has ice cream. But oh no! It also has an ice cream monster, just like back on earth. This book fulfills the dreams of many of our young readers, who said they wanted Johnny Boo to visit the moon. And many others who wanted to see Johnny Boo ride a skateboard. They will all be delighted by this very silly adventure. (STK643007) (C: 0-0-1)

**JOHNNY BOO HC'S**

(W/A/CA) James Kalchala
Johnny Boo is the best little ghost in the whole world, because he's got Boo Power. This means that he can go "BOO" really loudly. His pet ghost named Squiggle has Squiggle Power, which means that he can fly and do really fast loop-the-loops. Together they have the world's greatest ghost adventures! They enthusiastically frolic and roughhouse, having ghost races and drinking melted ice cream, but they often accidentally hurt each other's feelings, and have to comfort and console one another. When the giant pink and yellow Ice Cream Monster bumbles into their lives, they go into a mad panic... until they discover that he's actually quite friendly. But even though he's friendly, he's also completely wild and unpredictable, and he impulsively swallows Squiggle whole. Some wild loop-the-loops from Squiggle inside his stomach cause a bout of uncontrollable burping, and the Ice Cream Monster burps Squiggle up unscathed. But now how do they stop the burping? Johnny Boo's Boo Power does the trick, of course. Everyone ends up happy, and delighted by the adventure they had together.

PIRATE PENGUIN VS. NINJA CHICKEN HC

(W/A/CA) Ray Friesen
So what is this book about? It's about a Pirate Penguin named Pirate Penguin and a Ninja Chicken who isn't. They are the bestest of friends and also the worstest of enemies all at the same time. Sometimes their stories are really teeny, about stuff like ice cream or origami, and sometimes the story gets really epic-tastic, filled with spaceships and giant monsters and evil koolas and stuff (STK438089) HC, 7x9, 96pgs, FC.....\$9.95

The conclusion to this exciting all-ages steampunk manga! Sally Peppers is the highly-curious, ambitious niece of steamboat magnate Erasmus Croach, who has supplied Britain's factories with an endless supply of near-perfect robot employees — and his latest and greatest invention, the steamboat police-boy Sky Sky is troubled by dreams where he, like Pinocchio, has become a "real boy." Then he meets Sally, who has run away from home, and together they venture into the tunnels beneath London in search of a missing child. Sally has always been a bit of a tinkering and quickly figures out the terrifying truth about her uncle's magnificent steamboat factory. But it might be too late, can Sally's wits and Sky's pure heart save the day? (STK645827) SC, 5x7, 144pgs, B&W (2 of 2) .. \$12.99

DON HECK: A WORK OF ART HC

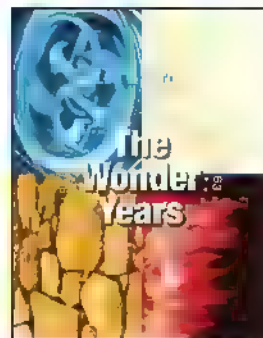

Don Heck remains one of comics' legendary names, considered an "artist's artist," respected by peers, and beloved by fans. Author John Coates has meticulously researched and chronicled information on Don's storied 40-year career, including his time at DC, Dell, Gold Key, and as "ghost" artist on Lee Falk's *The Phantom* newspaper strip. From personal recollections from Don's surviving family, long-time friends, and industry legends, to rare interviews with Heck himself, this book is full of insight into the early days of Marvel Comics. It also features an extensive art gallery, a Foreword by Stan Lee, and an Afterword by Beau Smith. (STK645654) (C 0-1-2) HC, 8x11, 192pgs, FC... \$39.95

After being relegated to the realm of children's literature for the first 25 years of its history, the comic book industry experienced an unexpected flowering in the early 1960s. A celebration of that emergence, *Marvel Comics in the 1960s*. An issue-by-issue Field Guide to a Pop Culture Phenomenon takes the reader from the legendary company's first fumbling beginnings as helmed by savvy editor/writer Stan Lee (aided by such artists as Jack Kirby and Steve Ditko), to the full maturity of its wild, colorful, offbeat grandiosity. Black Rose ALICE

Story & Art by Setona Mizushiro

SERIES DEBUT!

Black Rose Alice

Vol. 1

by Setona Mizushiro

Dimitri Lewandowski is a celebrated tenor in early 1900s Vienna. When he is killed in an accident, his corpse is colonized by the seeds of a vampire master. At first, Dimitri denies that anything has changed, but as the people around him start dying, he is forced to accept the ghastly truth.

Flash-forward to 2008. In Tokyo, Azusa Kikukawa's troubled love life comes to an end with a fatal accident. Dimitri appears in her dying dreams with a diabolic proposal—he will save her, lower if she agrees to become the breeding ground for the next generation of vampire seeds.

by Motoro Mase

FINAL VOLUME!

To promote prosperity, a national law has been passed in Japan requiring a very small, randomly selected percentage of the population to be chosen to die. Between ages 18 and 24, the unfortunate citizens are given 24-hour notice of their impending deaths. Don't like it? You'd better keep it to yourself. Especially if you're the one charged with giving the bad news.

Here is the final volume of this dark and dramatic series!

Gangsta. Vol. 3

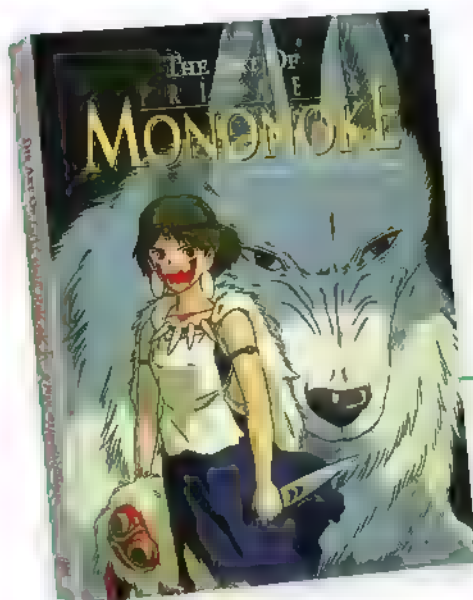

by Kōhske

Ergastulum is a tough town, a place where the rule of law takes a backseat to the law of violence, where Handymen like Nic and Worick make a living doing odd jobs from routine deliveries to extrajudicial killings. Discreet, ruthless, and efficient, the men are respected by both the police brass and the Mafia dons, but it took many long, hard years for them to make their names. Behind those years is the hidden history of how the scion of an elite family and a boy soldier of the Twilights ranks formed an improbable, unbreakable bond.

MINI-SERIES

Writer LaToya Morgan (Showtime's **SHAMELESS** and AMC's **TURN**) joins the Zenescope team with a brand new, modern re-imagining of Greek mythology like you have never seen before.

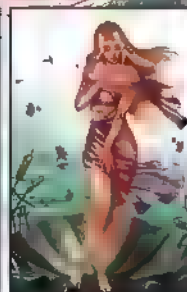

The Greek and Roman gods of legend are real! They live amongst us, hiding in plain sight as humans. Some of these gods, such as Zeus and Athena, work to keep humanity safe from evil, while others are hell-bent on returning to the ways of old, when gods were worshipped. As the vengeful Venus sets in motion a plan to enslave humanity and have it bow to her power, two sides of an inevitable war will begin to form between the gods.

ART OF THE DEAD SC(W) Phil Cushman
(A) Rick Griffin & Various

The Art of the Dead showcases the vibrant, charismatic poster art that emerged from the streets of San Francisco in 1964 and 1966. It traces the cultural, political, and historical influences of posters as art back to Japanese wood blocks through Bell Époque, on to the Beatniks, the Free Speech Movement, and the Acid Tests. The book uses Grateful Dead as the vehicle to tell the story of poster art as The Dead were the band that ultimately proved to be the most substantive and engaged partner for the artists and hence featured the best art of any rock n' roll band ever. The book will follow a chronological evolution of the art from the band's origination in 1965 through Jerry Garcia's death in 1995 (STK645485) (C: 0-1-0) **NOTE:** Available only within the United States—No U.S. Territories.

MASTERFUL MARKS: CARTOONISTS WHO CHANGED THE WORLD HC

See pages FS-6 & 7

(W) Monte Beauchamp & Various (A) Ryan Heshka & Various No one has told the story of comic art in its own medium, until now. In *Masterful Marks*, top illustrators reveal how sixteen visionary cartoonists overcame massive financial, political, and personal challenges to create a new form of art that now defines our world. Superhero comics didn't exist until two teenagers from Cleveland created the first superhero of all time: Superman. Advertising artist Theodor Geisel released his first book in 1937 as Dr. Seuss, and children's literature was never the same. Charles M. Schulz's perseverance and passion gave the world *Peanuts*, the world's most famous comic strip. Featuring these tales, and profiling other giants, *Masterful Marks* illustrates how graphic storytelling became such a rich and popular medium. (STK645880) (C. 0-1-0)

SOUL OF THE DARK KNIGHT: BATMAN AS MYTHIC FIGURE IN COMICS AND FILM SC

(W) Alex M. Wainer

This is a book about the comics genre and language, how these were used to create Batman, and how that character's longevity is largely due to the medium's unique formal qualities. It argues that Batman's core appeal is his mythic nature which allows him to transcend changes in reader tastes, the vicissitudes of the comics industry, and the changing media landscape. It is a study of how the formal aspects of comics are able to evoke uniquely mythic qualities that have made Batman such a long-lived cultural phenomenon. (STK646225)

DOCTOR WHO: THE FIFTH DOCTOR BOXED SET AUDIO CD

(W) Jonathan Morris (CA) Damien May Two brand new stories featuring the Fifth Doctor and his companions. Shortly after surviving the perils of Lagopolis, Castrovalva and the machinations of the Master, the new Doctor and his new crew could be forgiven for wanting to take a breather from their tour of the galaxy. But when the TARDIS lands in a strange and unsettling environment, the urge to explore is irresistible — and trouble is only a few steps away. Then, the house on Fleming's Island had been left to rot. Ever since a strange and unexplained death soon after it was built, and plagued with troubling rumours about what lurked there, it remained empty and ignored for decades until the Cult moved in. DOCTOR WHO: REVENGE OF THE SWARM AUDIO CD

(W) Jonathan Morris (CA) Tom Webster A new adventure in time and space for the seventh Doctor, Ace, and Hector. The Doctor thought he had defeated the microscopic Nucleus of the Swarm in his fourth incarnation. He was wrong. It survived within the TARDIS, and now it has been brought back to Titan Base, to the point of its own creation. It has a plan that spans centuries, a plan which will result in the Nucleus becoming more powerful and larger than ever before. To defeat it, the Doctor, Ace and Hector must confront the Nucleus within its new domain — the computer world of the Hypemet, the information network crucial to the survival of the human empire. **VAMPIRA: DARK GODDESS OF
HORROR SC**

[W] W. Scott Poole

A veteran of the New York stage and late nights at Hollywood's hipster hangouts, Mailla Nurmi would eventually be linked to Elvis, Orson Welles, and James Dean, as well as stylist and photographer Rudi Gernreich, founder of the Mattachine Society and designer of the thong. Thanks to rumors of a romance between Vampiria and James Dean, his tragic death inspired the circulation of stories that she had cursed him and, better yet, had access to his dead body for use in her dark arts. Vampiria is a wildly compelling tour through a forgotten piece of pop cultural history: one with both cultish and literary merit, sure to capture the imagination of Vampiria fans new and old. THE HOBBIT

THE HOBBIT

MAZE OF AZOG THE DEFILED REPLICAS

Thought to have been destroyed in the great battle between Orcs and Dwarves, Azog the Defiler has come forth once more, and he will stop at nothing to hunt down and destroy every last member of the company of Thorin Oakenshield. Azog's primary weapon is his war mace. A primitive but brutal weapon, the mace was constructed of wood, leather, cord, and rough forged steel. This replica is based on the prop and models used for the film. It is crafted in steel reinforced polystyrene with precise attention to detailing. It is presented with a polystone wall mount featuring a graphic motif of Azog's tattoo scars. With a 12 13/16" head, the *Hobbit: Maze of Azog the Defiler* measures 40" overall. (STK645867) Scheduled to ship in August 2014. (4792/UC3015) (C: 1-1-2) NOTE: Available only within the United States and U.S. Territories.

THE HOBBIT: FIGHTING KNIVES OF LEGOLAS REPLICA

Although a Prince of the Woodland Realm and a High Elf, like his father Thranduil, Legolas is more likely to be found patrolling the forest alongside the Silvan Elves of the Woodland Guard than in the Court of the King. Tall and lithe, Legolas is a lethal fighter and fiercely loyal to his father and his people. Legolas wields these twin fighting knives with incredible speed and savagery. Hand-shaped and finished solid wood grips with Elven vine decoration, razor-sharp AUS-6 stainless steel blades with Elven designs, and solid metal guard and pommel come together with these knives that features 15" blades and measure 22 3/8" overall (STK645865). Scheduled to ship in August 2014. (4792/UC3001) (C: 1-1-2) **NOTE:** Available only within the United States and U.S. Territories. Replica

THE HOBBIT: THE FIGHTING KNIVES OF TAURIEL REPLICA

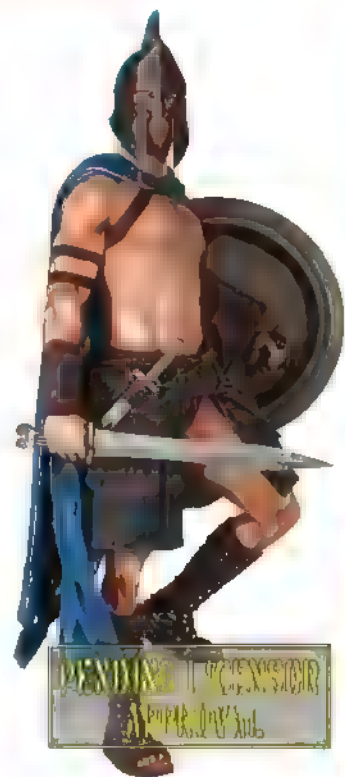

As Captain of the Woodland Guard, Tauriel carries signature twin daggers with blades forged of a bronzed alloy and a Silvan steel edge of superior strength. The hilts are crafted from greenwood with bronzed steel fittings. This replica is crafted of stainless steel with cast metal and polycarbonate handles, precisely detailed and colored to exactly match the movie prop. It is presented with a wood wall mount featuring a graphic motif of Tauriel and includes a Certificate of Authenticity. These stainless steel blades have a 13 7/16" blade and measure 20 1/2" overall (STK645866). Scheduled to ship in August 2014. 300: RISE OF AN EMPIRE - THEMISTOCLES STATUE

A Gentle Giant Release! While Leonidas lead the Spartans against the Persians at Thermopylae, Themistocles lead the Athenian navy into the Battle of Salamis against Artemisia and the Persian fleet. While few foes underestimate Themistocles ferocity on the battlefield, many are unaware of his skill and cunning in the arts of politics and diplomacy. Not only did he rebuff Artemisia's varied advances, but he forged an alliance with Sparta, a goal once thought impossible. From *300: Rise of an Empire*, Gentle Giant is proud to bring you the Themistocles Statue! Digitally sculpted from actual 3-dimensional scan data of actor Sullivan Stapleton and cold cast in the highest quality polystone, the Themistocles statue is simply stunning (STK645862). WARHAMMER 40K: GREY KNIGHTS OMNIBUS SC

(W) Ben Counter

A thick omnibus edition collecting the novels, *Grey Knights*, *Dark Adeptus*, and *Hammer of Daemons* from the popular *Warhammer 40K: Grey Knights* series! In the wake of Horus's betrayal, the Imperium created a new force to defend against the threat of the daemonic: the Grey Knights. Armored in faith and armed with the most potent weapons of mankind, these Space Marines stand between humanity and the infernal denizens of the warp. Justicar Alaric is one such warrior, the leader of a squad of these dedicated daemonhunters. When a daemon returns from a millennium of banishment determined to exact revenge upon the Grey Knights for its fall, Alaric is thrust into a war where weapons alone cannot bring victory — faith and will are the keys to survival. FLOWERS OF EVIL: COMPLETE COLLECTION

From Sentai Filmworks: Darkness lurks everywhere, in every human heart, and sometimes it takes just a second of weakness for it to take root. For Takao Kasuga, that germination begins when his obsession with his beautiful classmate Nanako meets the opportunity to "borrow" her used gym clothes. Unfortunately his loathsome act of laundry theft is witnessed by Nakamura, the strange girl who sits behind him in class. Soon, Nakamura's own dark obsessions begin to hook their twisted tendrils into Takao's miserable existence. Blackmailed into a "contract" under the threat of having his guilt revealed to his entire class, the former bookworm who could spend hours reading Beaudelaire's "The Flowers of Evil" now finds himself entwined in Nakamura's growing fantasies as she leads him down the garden path to damnation. As their blossoming relationship becomes ever darker, even the seemingly innocent Nanako is pulled into the nightmare. Just what are Nakamura's ultimate plans, and will the increasingly trapped Takao really be willing to carry them out? GATCHAMAN CROWDS! COMPLETE COLLECTION

From Sentai Filmworks. For most of the residents of Tachikawa city, life seems to be perfectly normal. That's how it seems, but the truth, known only by a tiny select handful, is that this is a city at war. Every day, as the citizens go about their business, they are under attack by alien criminals and mysterious organizations seeking to conquer, enslave and destroy. But to combat these threats, a covert council has secretly selected certain individuals to serve as protectors. Wearing special suits that amplify latent powers hitherto unsuspected, they blend into the crowds and shadows, waiting until the call is given to fight again. They could be anyone: your neighbor, your best friend's mom, even high school students like Sugune Tachibana and recent college grad Joe Hibiki. And needless to say, schoolgirl artist Hajime Ichinose is probably the last person anyone would ever suspect of being a soldier entrusted with defending mankind. But she is, even if as the latest recruit she still has an awful lot of learning to do. Hiding like ninjas, powered by super-science, they are humanity's first and greatest line of defense. SASAMI-SAN AT GANBARANAI! COMPLETE COLLECTION

From Sentai Filmworks. In Japan, the term hikikomori is used to describe people who've become so socially withdrawn that they refuse to leave their homes for weeks and even months at a time. For Sasami Tsukuyomi, a shut-in attempting to pass her first year of high school, it's more than just a word. Fortunately, she lives with her older brother Kamiomi, who just happens to be a teacher at the exact school Sasami is supposed to attend. With the help of her "Brother Surveillance Tool," Sasami is able to view the outside world via her computer, theoretically allowing her to readjust to interacting with people once more. In reality, it reveals her brother's interactions with the three very odd Yagami sisters, whose looks and motives are deceiving, and have various types of interest in Kamiomi. That's when things start to get really weird... Magical powers?

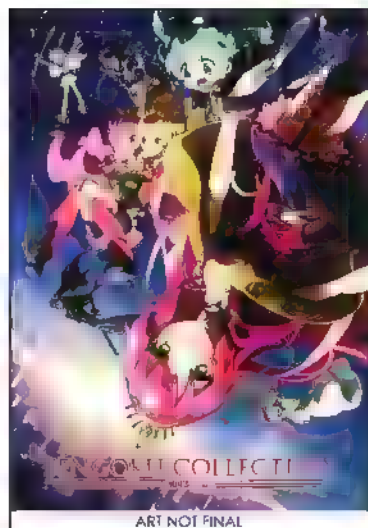

Everything turning into chocolate? Has life via the web warped Sasami's brain, or is it the universe that's going crazy? It looks like Sasami will have to take off her pajamas and go out into the real world to set things straight in *Sasami-san@Ganbaranai!* (STK646285) (C. 0-1-1)

THE SEVERING CRIME EDGE: COMPLETE COLLECTION

From Sentai Filmworks. Kiri Haymura loves cutting hair. Actually, he doesn't just love cutting hair, he obsesses over it and even has a special set of scissors he delights in using. But when his mane obsession for a bit of trim draws him to Iwai Mushanokoji, whose long hair has never been cut, he finds himself entangled in a situation no shears can hack him out of. You see, Iwai is heir to a strange curse that makes her hair impossible to cut. Or at least, it was until Kiri's clippers took off a lock thereby revealing that his scissors are cursed as well! But now that she's shorn free, Iwai has a slew of "murderers" after her, each armed with their own cursed implements and eager for the chance to kill the "Hair Queen." And if that's not enough to make Kiri wig out, it seems that many of them actually attend his own school! Will this

TO LOVE-RU DARKNESS COMPLETE COLLECTION

From Sentai Filmworks
As close encounters of the twisted kind between the residents of the planet Deviluke (represented primarily by the female members of the royal family) and the inhabitants of Earth (represented mainly by one very exhausted Rito Yuuki) continue to escalate, the situation spirals even further out of control. When junior princesses Nana and Momo transferred into Earth School where big sister Lala can (theoretically) keep an eye

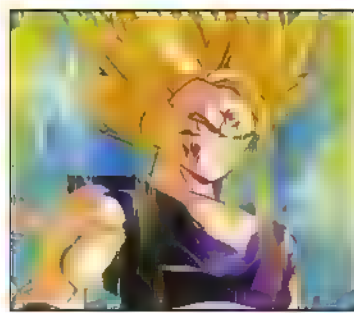

on them, things *should* be smooth sailing. But when Momo decides she'd like to "supplement" Rito's relationship with Lala with a little "sisterly love," you know Lala's not going to waste any time splitting harems. Unfortunately, it's just about that point that Yami, the Golden Darkness, enters the scene with all the subtlety of a supernova, along with an army of possessed high school students! All of which is certain to make Rito's life suck more than a black hole at the family picnic. Unless, of course, a certain semi-demonic princess can apply a little of her Devilukean Whoop Ass to exactly that portion of certain other heavenly bodies! THE REAL DECAMERON

From *One 7 Movies*. Unbeknownst to their husbands, a group of really mischievous girls just want to have fun even though the men from the clergy and their legitimate husbands as well might have something to object to their desires. Therefore these girls are forced to use all their astute ruses in order to escape those who want to interfere in their right to have a few healthy jumps in the sack. Hot on the trails of Pasolini's *Decameron*, the seazeamasters of Italo exploitation unleashed a flood of similarly themed erotic sex comedies that held the Italian box-office hostage with its titillating crude politically incorrect jokes and the breathtaking raunchy beauty of its primadonnas. *The Real Decameron* stars Rosalba Neri of *Slaughter Hotel* fame, Christa Linder (Jack Hill's *Alien Terror*) and Orchidea De Santis (Rino Di Silvestro's *Red Light Girls*) and is a must see for devout fans of Euro exploitation. SON OF THE BLOB (A.K.A. BEWARE THE BLOB)
From Thrill/Kill The Blob returns — more outrageous than ever in this 1972 sequel to the popular sci-fi classic! Plenty of familiar faces, including Larry Hagman (who also directed), Burgess Meredith, Dick Van Patten, Robert Walker and Shelly Berman, add to the fun. A geologist (Godfrey Cambridge) unwittingly brings home an unusual frozen piece of debris from the North Pole. But when it accidentally thaws, the hungrier-than-ever Blob comes to life again, consuming nearly everyone in its path and terrorizing the town. No one is safe as it crawls into a bowling alley and oozes its way across an ice rink, becoming grotesquely bloated with the blood of its victims. Can this bizarre creature ever be stopped?! AMERICAN ARTIFACT: THE RISE OF AMERICAN ROCK POSTER ART

American Artifact chronicles the rise of American rock poster art since its birth in the '60s. Director Merle Becker crosses the country interviewing rock poster artists from the different eras to discover that America is currently in the midst of a 21st century "rock poster art movement", where thousands of artists around the country are doing silk screened rock poster art inspired by their local scene, the music of our time, and the spirit of our era. This extraordinary film, which includes interviews with over 30 artists, takes the viewer on a journey through the different decades and incarnations of this rebellious art form, and spends time with, arguably, some of the finest artists of this era talking about what inspired their truly American works of art. JODOROWSKY'S DUNE
From Sony Pictures Classics. Jodorowsky's Dune explores legendary cult film director Alejandro Jodorowsky (El Topo, Holy Mountain, Santa Sangre) and his staggeringly ambitious, yet ultimately doomed, mid-1970's film adaptation of the seminal science fiction novel Dune. The tale of Jodorowsky and his Dune is a fascinating trip through creativity and imagination, a story about the relentless pursuit of a dream, and the necessity of art. In pre-production for over two years, the film was to star Jodorowsky's own 12-year-old son Brontis alongside Orson Welles, Mick Jagger, David Carradine and even Salvador Dali, set to a musical score by Pink Floyd and art-design by some of the most provocative talents of the era, including H.R. Giger and Jean 'Moebius' Giraud. Available in Blu-Ray and DVD formats. (STK646650) (C: 0-1-2) Blu-Ray \$35.99 DVD \$30.99

PLASTIC GALAXY: THE STORY OF STAR WARS TOYS
From X-Ray Films. Plastic Galaxy It begins A Long Time Ago... When Star Wars landed in theaters, it introduced audiences to a galaxy filled with heroes and villains, robots and spaceships, and a dizzying variety of alien life. But when the lights came up, they all disappeared... unless you had all the toys. In which case, the adventure never had to end! Plastic Galaxy is a documentary that explores the groundbreaking and breathtaking world of Star Wars toys. Through interviews with former Kenner employees, experts and authors like Steve Sansweet and Gus Lopez and, of course, collectors, it looks at the toy line's history, their influence, and the fond and fervent feelings they elicit today. Plastic Galaxy was produced and directed (and shot and edited!) by Brian Stillman, who, along with co-producer Karl Tate, spent more than three years working on the film. With help from a successful Kickstarter campaign, it was released this year on DVD and is available on Amazon and select brick and mortar stores. The region-free DVD includes the 70-minute feature, as well as more than 40 minutes of extras: "Tiny Toys, Giant Disaster": The Star Wars Micro Line, Know Your Toy Lightsaber: The Art and Science of Kenner Prototypes, Steve Sansweet: The Secret Origin of a Record-Setting Collector. TRUE DETECTIVE SEASON ONE

From HBO! In 2012, Louisiana State Police Detectives Rust Cohle and Martin Hart are brought in to revisit a homicide case they worked in 1995. As the inquiry unfolds in present day through separate interrogations, the two former detectives narrate the story of their investigation, reopening old wounds, and drawing into question their supposed solving of a bizarre ritualistic murder in 1995. The timelines braid and converge in 2012 as each man is pulled back into a world they believed they'd left behind. In learning about each other and their killer, it becomes clear that darkness lives on both sides of the law. Written and created by Nic Pizzolatto (*The Killing*) and directed by Cary Fukunaga (*Sin Nombre*, *Jane Eyre*), *True Detective* stars Academy Award nominee Woody Harrelson as Martin Hart and Academy Award winner Matthew McConaughey as Rust Cohle. The series also stars Michelle Monaghan (*Mission: Impossible III*) as Maggie Hart's wife, Kevin Dunn (*Veep*) as Ma or Quesada, the supervising officer in 1995, and Tory K. Hies (*Sons of Anarchy*) and Michael Potts (*The Wire*) as Dets. Papania and Gilbough, the investigators now probing Hart and Cohle for answers. Available in Blu-Ray and DVD formats. SOUNDTRACKS

CANNIBAL FEROX ORIGINAL SOUNDTRACK

From One Way Static. Like many of the Italian cannibal films, this soundtrack is just as powerful and effective as the disturbing butchery. *Cannibal Ferox* features a soundtrack that is more 70s cop show than many of its counterparts. The use of funk guitar, bass, rock piano and synthesizer makes for a fun yet still powerful sound. It's 70s recklessness with an 80s sensibility, perfect for a film that rides the line between two decades. The bulk of the soundtrack was done by Rudy Maglione, a partnership of Roberto Donati and Fiamma Maglione (who also appears in the film). This pair was responsible for collaborating on such films as *Eaten Alive* (1980) and *Daughter of the Jungle* (1982). Cunningly stimulating and ferociously absorbing, Donati's soundtrack is an essential piece of the enigma that makes the film a pulse pounding inferno of death (STK646208) (C, O-1-1)

SPOTLIGHT ON

CREEPSHOW: ORIGINAL SOUNDTRACK

(A) Gary Pullin
From Waxwork Records
Waxwork Records is thrilled to announce their next LP release to the 1982 horror anthology classic, *Creepshow*. The film was directed by George A. Romero and written by Stephen King. The score was composed and performed by John Harrison (Day Of The Dead, Tales From The Darkside). This definitive release of the film score has never before been released. The original master tapes of the *Creepshow* film score were lost for over 30 years, but with the efforts of composer John Harrison and Waxwork Records, the tapes were located in the attic of Jerec Recording Studios in New Brighton, PA. The tapes remained in remarkable shape over the years and were re-mixed and re-mastered for vinyl. The *Creepshow* score has never sounded this good. (STK646205) (C, O-1-1)

THE GOOD, THE BAD & THE UGLY A.K.A. IL BUONO, IL BRUTTO E IL CATTIVO ORIGINAL SOUNDTRACK

From AMS Records. *The Good, the Bad and the Ugly* is neither more nor less than the perfect soundtrack to the most wonderful of western movies, the third and final act of the "Dollar Trilogy" directed by Sergio Leone. A film not only rated among the best of the genre, but universally considered among the most successful in the history of cinema. Ennio Morricone, a higher caliber composer to whom each musician usually relates with the simple title of "Master", has here been able to be as meticulous as the director, composing a soundtrack that fits brilliantly to the bombastic and epic atmospheres of the film. **EDGE OF TOMORROW**

From Warner Bros. Pictures. The epic action of *Edge of Tomorrow* unfolds in a near future in which an alien race has hit the Earth in an unrelenting assault, unbeatable by any military unit in the world. Lt. Col. Bill Cage (Cruise) is an officer who has never seen a day of combat when he is unceremoniously dropped into what amounts to a suicide mission. Killed within minutes, Cage now finds himself inexplicably thrown into a time loop—forcing him to live out the same brutal combat over and over, fighting and dying again. . . and again. But with each battle, Cage becomes able to engage the adversaries with increasing skill alongside Special Forces warrior Rita Vrataski (Blunt). And, as Cage and Rita take the fight to the aliens, each repeated encounter gets them one step closer to defeating the enemy. Based on the acclaimed *Viz* novel *All You Need Is Kill* by Hiroshi Sakurazaka. Combo Pack includes both Blu-Ray and DVD formats. Also available in standard DVD format. (STK646654) (C. 0-1-2)

ATTACK ON TITAN EREN YEAGER ARTFXJ STATUE

The next new addition to the ARTFXJ lineup is possibly the most popular anime and manga property in the world right now, Attack on Titan! Headlining the new ARTFXJ lineup is the series' main character, **EREN YEAGER!**

Yeager leaps forward in mid-attack, swinging off the tree at his base and reaching back with his dual swords to strike a huge blow! The defender of humanity wears his iconic Survey Corps uniform complete with the complex 3D Maneuver Gear, and the sculpt captures all of the intricate details of the mechanisms along with the subtle flow and wrinkling of his clothing.

Sculpted by Shin Tanabe, Eren Yeager is just under 10 1/2 inches tall (1/8 scale) in his leaping pose atop the detailed georama base.

JAMES KOLCHALKA

EXTRA

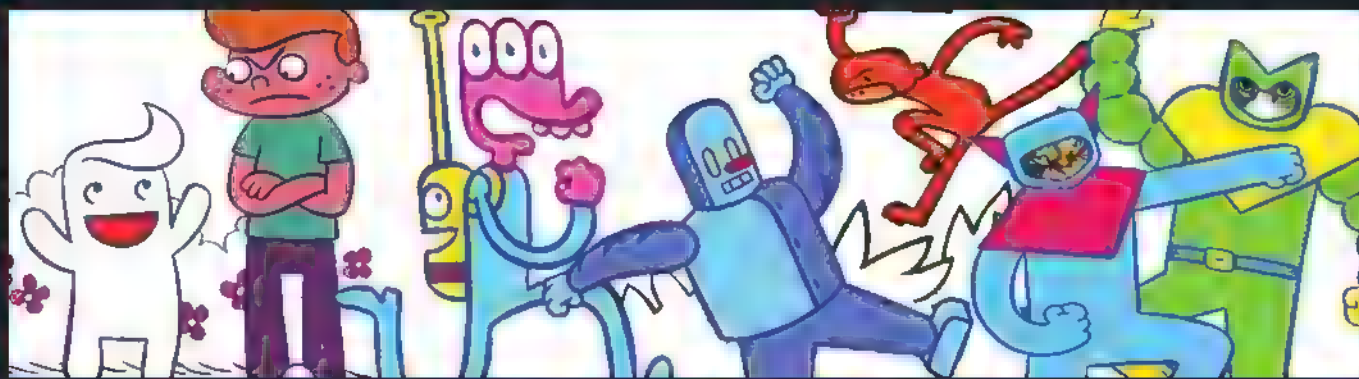

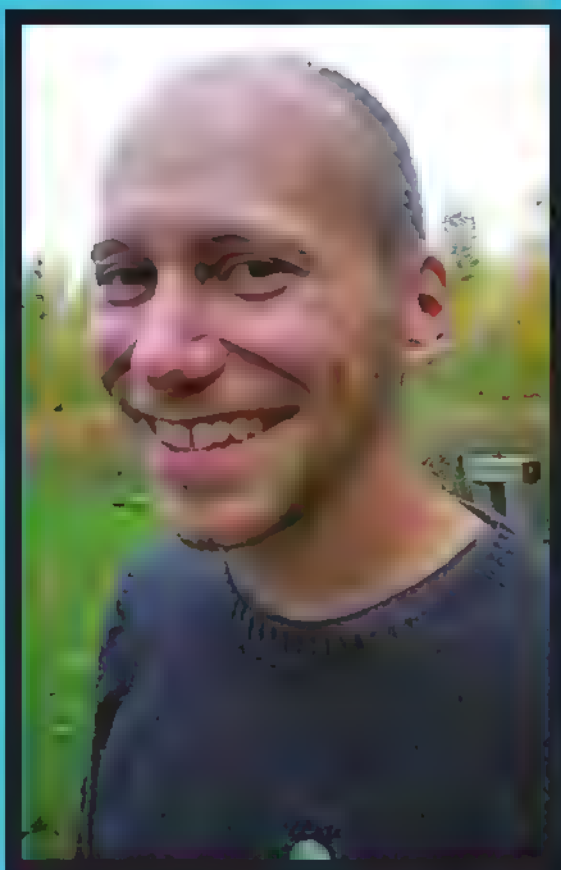

Typically, our *Indie Edge* feature runs in the front of **PREVIEWS** most every month. And that's true even with this month's issue.

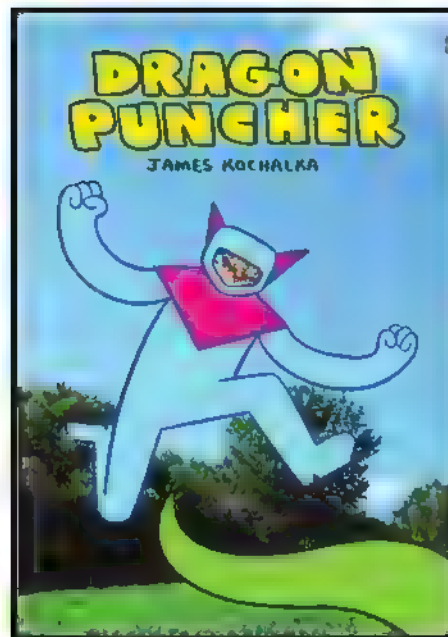

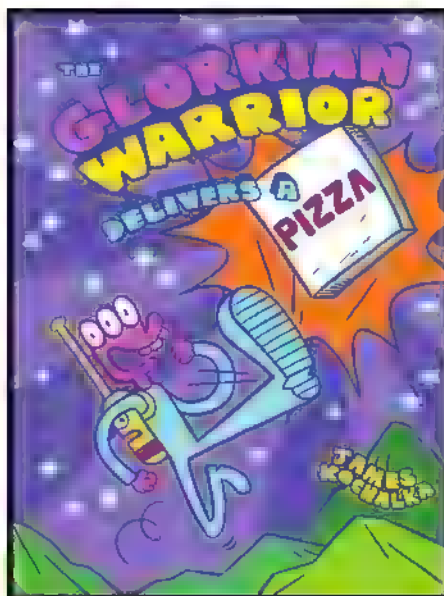

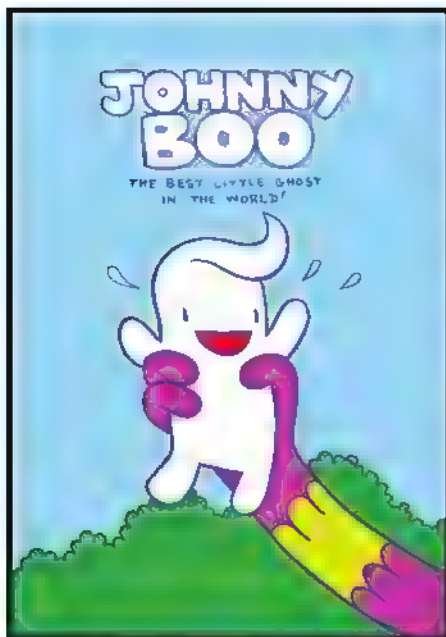

However, since it's "Kids Comics Month" here at **PREVIEWS**, we're giving some extra special, *Deluxe*, coverage of one of our favorite creators:

James Kolchalka!

James made a splash with readers with his biographical daily diary strip, *American Elf*, beginning in 1998, and from there moved on to such diverse projects as his raunchy *SuperF*ckers* series, *Monkey vs. Robot*, and recording music with his band, *James Kolchalka Superstar*.

But since it is "Kids Comics Month", we'll be focusing on James' all-ages titles, *Dragon Puncher*, *Glorkian Warrior*, and *Johnny Boo*, which have garnered positive notice from readers of all ages.

Previews: James Kolchalka, please tell us a bit about yourself!

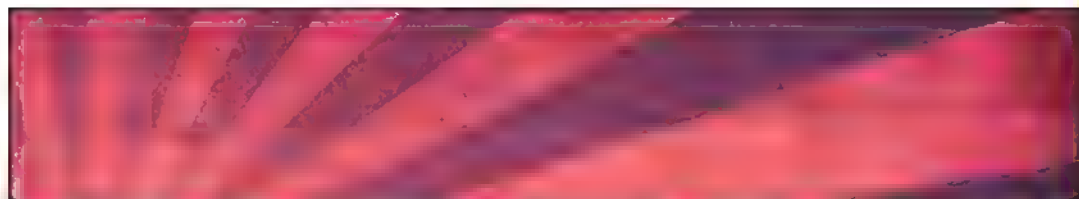

James Kolchalka: Well, gosh... there's almost too much to tell. My comic book career began in the mid-nineties with home-made minicomics. But I've also had a parallel career as a rock musician, with my band *James Kolchalka Superstar*... and I've branched out into fine art, video game design (*Glorkian Warrior*), acting, animation... I just love making stuff, and living the creative life! I was named the first "Cartoonist Laureate" of Vermont, which was just an indescribable honor. And I have two fantastic young sons with my lovely wife. Life is interesting and good, and I always have several projects going at once. The more I create the happier I am.

P: What are your favorite projects you've contributed to over the past decade?

JK: *American Elf* (DEC063936), my daily diary comic strip, was super important... A major work by any definition. I also greatly enjoyed making

I've probably gotten the most satisfaction out of working on my kid's book series... Because these books were all made as bedtime stories for my sons, and they've brought a lot of joy into our house.

the *Superf*ckers* animated cartoon series with Frederator. But I've probably gotten the most satisfaction out of working on my kid's book series... ***Dragon Puncher*** (FEB108450), ***Johnny Boo*** (OCT078665), and ***Glorkian Warrior*** (JAN141196). Because these books were all made as bedtime stories for my sons, and they've brought a lot of joy into our house. And I gather they've brought a lot of joy into the houses of other families too.

FLIPsideFLIPsideFLIPsideFLIPsideFLIPsideFLIPsideFLIPsideFLIPsideFLIPsideFLIPside

P: What are you currently working on? What can readers expect in this new volume of Johnny Boo?

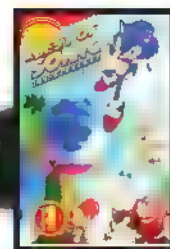

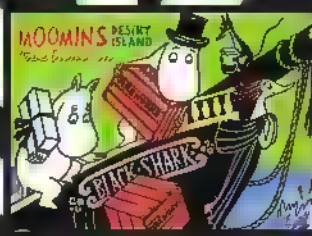

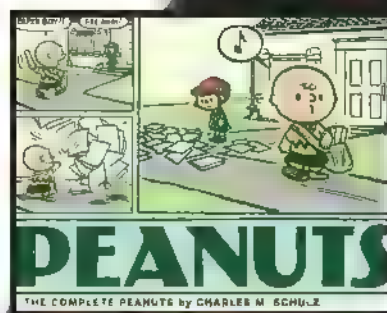

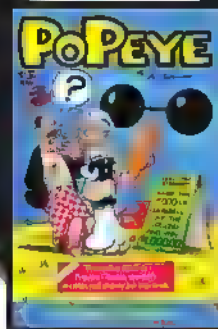

JK: I just finished up a bunch of new creature designs for a major update to my **Glorkian Warrior** iOS game, and I'm about to start scripting the third **Glorkian Warrior** graphic novel. I'm also about half-way done inking a **Dragon Puncher Meets Johnny Boo** team-up book. I'm also serializing an adventure comic called **Elf Cat** in my local Burlington, Vermont newspaper, *Seven Days*. This week I began working on the pilot episode of a new animated cartoon series, but it don't know if I'm allowed to talk about it yet. Sorry!

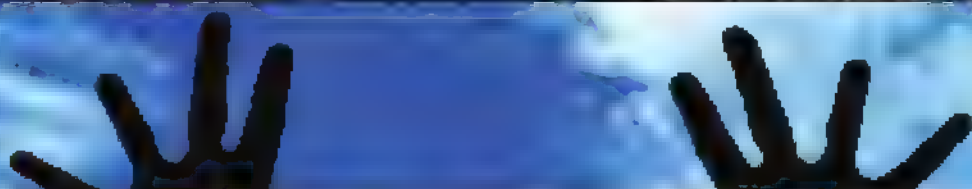

I just put the finishing touches on **Johnny Boo Zooms to the Moon** (FEB148072), and sent it to the printer. The two major things my young readers always ask for is that they want to see Johnny Boo ride a skateboard, or go to the Moon. Oh, and a lot of kids say they wish there was a girl in the books. So in this book he rides a skateboard to the moon, and on the moon he makes a new friend... a sassy girl-ghost named Susie Boom. She has Boom power. He also runs into his old frenemy, the Ice Cream Monster, who's up there stealing moon ice cream. It's all pretty bonkers, as usual.

P: What fun titles are you currently reading? Are there any kid's comics that you would recommend?

JK: I read the *Sonic the Hedgehog* comics series each month (OCT120777)! They are amazingly complicated, with hundreds of characters and years and years of back story. I'm not sure if I would actually recommend them... but they are amazing in their own way. My sons and I really love them. There's also a huge amount of great old comics being reprinted right now. *Moomin* (OCT131145), *Popeye* (DEC120394), and *Peanuts* (MAR141166) are the ones we like the best.

AMULET VOLUME 6: THE ESCAPE FROM LUCIAN SC

Graphix

Kazu Kibuchi (*Copper, Daisy Cutter*) is back with the newest installment of the *New York Times* bestselling graphic novel series! *Amulet!* After discovering a mysterious necklace in the library of her great-grandfather, Emily and her brother Navin are thrust into a quest to save their mother from a nasty tentacle monster that invades the basement of their new home and kidnaps her. In pursuit of the creature, Emily and Navin follow the monster into a fantastical alternate reality populated with talking animals, robots, demons, and humans who are locked in a war with the Elves.

Now the stakes are raised as the war with the Elves heats up even more. Emily and Navin travel to Lucian. The city has been devastated in the conflict leaving it nothing but rubble. Quarantined within the city are undoubtedly high. Will the two manage to make it out of the city alive with all of their friends more or less intact or will they fall prey to military might of the Elf King?

FOOD WARS GN

VIZ Media

Shonen manga, titles like *Naruto*, *One Piece*, and *Dragon Ball*, are all about finding your passion. Passion that grabs you with two mighty hands. Passion that makes you run hard. Run hard and far. Run towards the horizon—towards the burning sun, your shadow stretching out behind you in shape of the tallest human on the planet, all the while screaming defiance at any and all who would stand in your way because you are invincible and your spirit is ablaze!

This book's like that. But with food. Consider a series that reads like *Slam Dunk*. *Dog Millionaire* meets *Iron Chef*. Soma Yukihira is a kid from the wrong side of the tracks who's determined to surpass his father's legendary cooking ability and to taste just about everything life has to offer along the way. Erina Nakiri is head chef student and undisputed queen of her family's super-prestigious cooking school. These cooks clash in the kitchen as titans of taste, neither is willing to give an inch, and things are only getting hotter in this frisky food manga from VIZ.

LITTLE NEMO: RETURN TO SLUMBERLAND #1

IDW Publishing

Following up from Winsor McCay's *Little Nemo in Slumberland* comes an all-new, all-ages comic series full of magic and whimsy! Being written by multiple Eisner Award-winning writer/artist Eric Shanower and along with Eisner-nominated artist Gabriel Rodriguez, the art team on the return of *Little Nemo* should be enough to make you want to pick it up and give it a read.

At the start of *Little Nemo: Return to Slumberland* King Morpheus is enlisting Bon-Bon the candy kid to find the princess of Slumberland a new playmate. Let the adventure begin for Little Nemo in Slumberland!

SISTERS

Scholastic Books

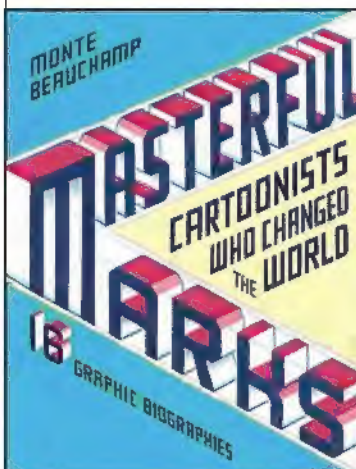

When you read one of Raina Telgemeier's graphic novels, although you are reading her story—getting a small autobiographical glimpse into her childhood—there are so many delightful and nostalgic moments that truly make her experiences your own and her books an absolute pleasure to read. Her newest graphic novel *Sisters* is no exception. Being an older sister myself, when I was reading Raina's tale about her baby sister being born and not being nearly as fun as she had imagined, I thought, "Man, I remember thinking that, too!" When I got to the parts about Raina's long road trips and household quarrels with her pesky sister who appeared to have been brought into this world solely to ruin her teenage life, I couldn't help but remember all the times my own sister drove me up the wall. In fact, although *Sisters* reminds us of the tough (but wistfully fun) times with siblings, the book is also a wonderful story of a normal family with normal family experiences making the best of everything that life throws at them.

MASTERFUL MARKS: CARTOONIST WHO CHANGED THE WORLD

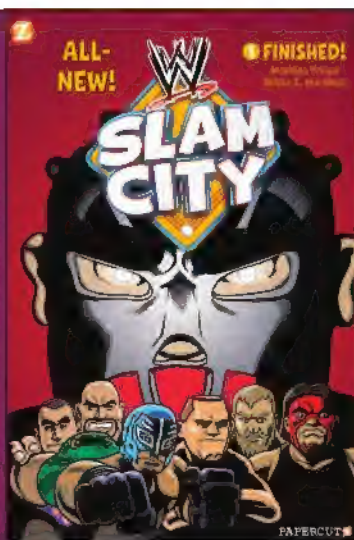

Simon & Schuster

Simon & Schuster tend to tread lightly in the world of graphic novels but when they do it's a yeti-sized step. This month in the Books section a book edited and written by Monte Beauchamp, *Masterful Marks: Cartoonists Who Changed the World*. This is the story of creators that go beyond the super hero and include those artists that expanded the worlds of graphic storytelling, animation, underground comics, Sunday funnies, magazines, and poster illustration.

Using graphic story telling we are treated to Siegel & Shuster and the creation of Superman by Ryan Heshka as well as unique illustrated bios on Edward Gorey, Winsor McKay, Charles Schulz, Harvey Kurtzman, Robert Crumb, and many more. The style of the artwork brings an alternative feel to creators most would consider to be very mainstream. This book is a great blending of these various components of the comic book and graphic illustration fields.

Masterful Marks: Cartoonists Who Changed the World is a book any publisher would be glad to have published. As Simon and Schuster celebrates its 90th anniversary, it's so nice they gave us such a great present.

SLAM CITY: FINISHED

Papercutz

Based on the toy line-turned-cartoon, *Slam City: Finished* expands on the events of the claymation shorts that pose the question: "What would Superstars do if they weren't wrestlers?"

When the nefarious Finisher (a masked villain who has taken over Vince McMahon's office) starts firing Superstars, they must venture out into the city to find new jobs. Now John Cena gives "attitude adjustments" to cars, Kane uses his hellfire to reheat cafeteria food, and Rey Mysterio 619's anyone who doesn't regard his crossing guard sign.

What will make this series enjoyable for WWE fans of any age is its inability to take itself seriously. Bonus: see if you can find the Spaceballs reference.
